

Reconcile Your D2L and iStar Rosters

Last Modified on 11/05/2024 5:51 pm CST

There may be times when your course's **D2L Classlist** does not accurately reflect the class roster in **iStar/MyLoneStar**. To correct the D2L Classlist you can use the **Reconcile your Rosters** form (sometimes referred to as the **Verify Brightspace Roster** form).

ALERT: Enrolling a student who has been granted **Extended Access** to your course will result in the student losing access to your course.
