To delete a single assignment

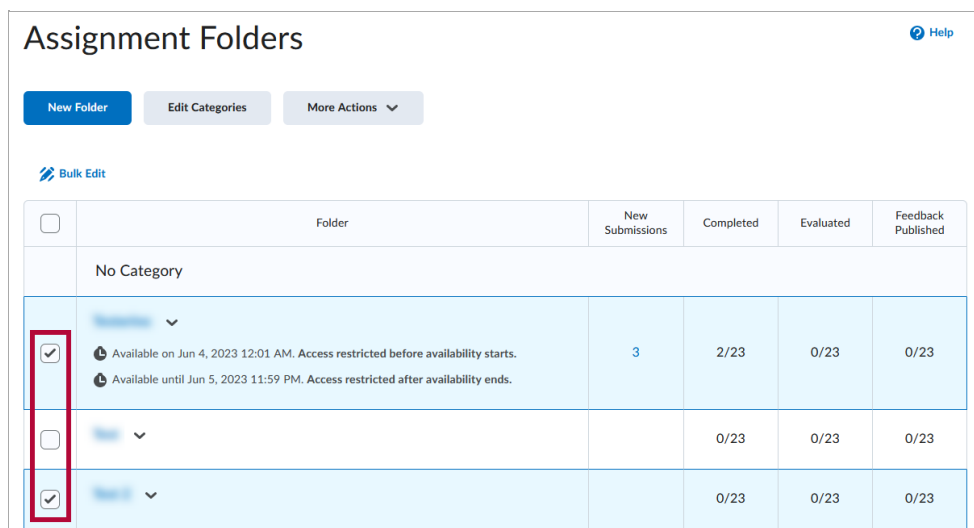

1. Click **[Course Activities]** in the navbar and choose **[Assignments]**.
2. On the **Assignments** page, click on the arrow next to the name of the assignment you would like to delete, then choose **[Delete Assignment]**.

3. Click the **[Delete]** button on the pop-up window to confirm.

To delete multiple assignments

1. On the **Assignments** page, select the check box next to the assignments you'd like to

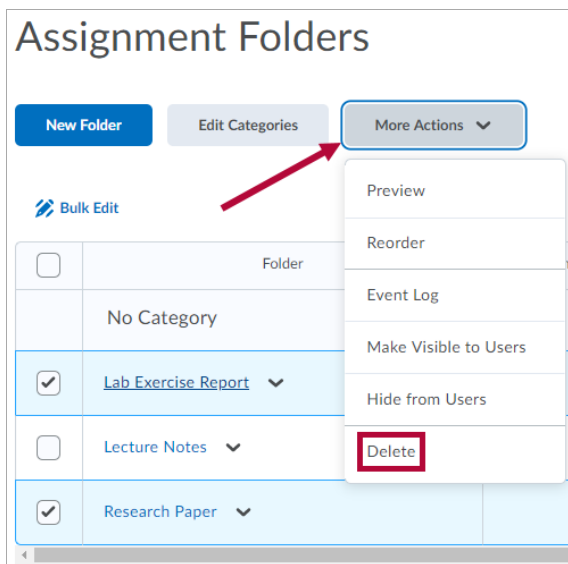

A screenshot of the "Assignment Folders" page. At the top, there are buttons for "New Folder", "Edit Categories", and "More Actions". Below these is a "Bulk Edit" link. The main content is a table with columns: "Folder", "New Submissions", "Completed", "Evaluated", and "Feedback Published". The table has a "No Category" header row. Below it, there are three rows of assignment folders. The first row has a checked checkbox, a folder name with a dropdown arrow, and two sub-rows of details: "Available on Jun 4, 2023 12:01 AM. Access restricted before availability starts." and "Available until Jun 5, 2023 11:59 PM. Access restricted after availability ends." The second row has an unchecked checkbox and a folder name with a dropdown arrow. The third row has a checked checkbox and a folder name with a dropdown arrow. A red rectangular box highlights the checkboxes in the first, second, and third rows.
