

Restrict Assignment Submission Options

Last Modified on 06/21/2021 1:59 pm CDT

Navigate to the Edit Folder page

1. Click **Course Activities** on the navbar and choose **Assignments**.
2. Click on **New Folder** or click on the context menu of any assignment and choose **Edit Folder**.

Set the file submission options

1. On the Property Tab, scroll down to the **Submission Options** section and select one of the following **Files allowed per submission options**:
 - Unlimited
 - One file per submission
2. Select one of the following **Submissions** options:
 - All submissions are kept (students can submit more than once, and all submissions are retained)
 - Only the most recent submission is kept (students can submit more than once, but previous submissions are overwritten by subsequent submissions)
 - Only one submission is allowed
3. Click **Save**
