Delete a Single Quiz

1. Click on **Course Activities** > **Quizzes** in the **Navbar**.

2. From the **Manage Quizzes** page, click the **[Dropdown menu]** for your quiz and choose **[Delete]**.

3. When prompted, confirm the deletion by clicking **[Delete]**.

Delete Multiple Quizzes

1. From the **Manage Quizzes** page, check all quizzes you wish to delete, click **[More Actions]** -> **[Delete]**.

2. When prompted, confirm the deletion by clicking **[Delete]** again.

Restore a Deleted Quiz

NOTE:

- Upon deletion of a quiz, the grades associated with the quiz and grade item associated with the quiz are **untouched**.
- If the quiz was previously linked to the gradebook, please note that restoring the quiz will **NOT** automatically re-link the quiz to the gradebook. You will need to manually re-link the restored quiz to the gradebook. Please refer to [Associate a Grading Activity with a Grade Item](https://vtac.lonestar.edu/help/associate-a-grading-activity-with-a-grade-item) (<https://vtac.lonestar.edu/help/associate-a-grading-activity-with-a-grade-item>) for instructions.
- All associated student attempts with the quiz will be restored.

To restore a previously deleted quiz, please follow the steps below:

1. On the **Manage Quizzes** page, click **[More Actions]** and select **[Restore]**.

2. From the **Restore Quizzes** page, click **[Restore]** next to the quiz or exam you would like to restore.

The quiz you selected to restore should now appear the next time you visit the **Manage Quizzes** page in your course.
