▶ Show Video Walkthrough

1. From the **Navbar**, select **[Course Activities]** followed by **[Assignments]**.

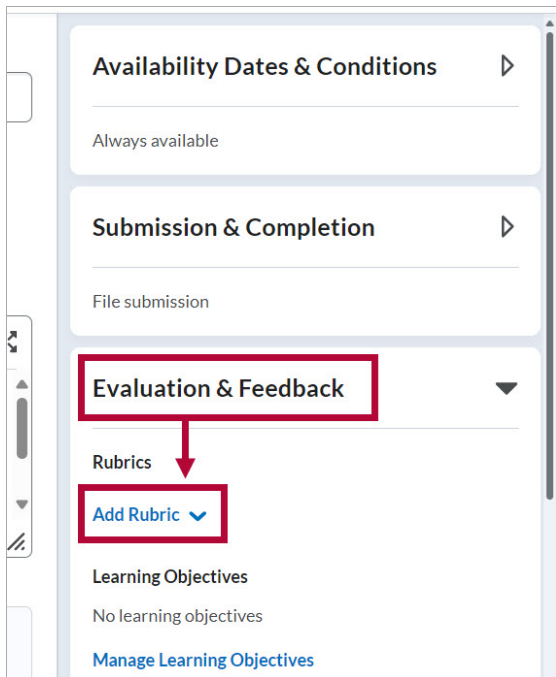

2. Click the **[Dropdown arrow]** next to the assignment name and select **[Edit Folder]** from the context menu.

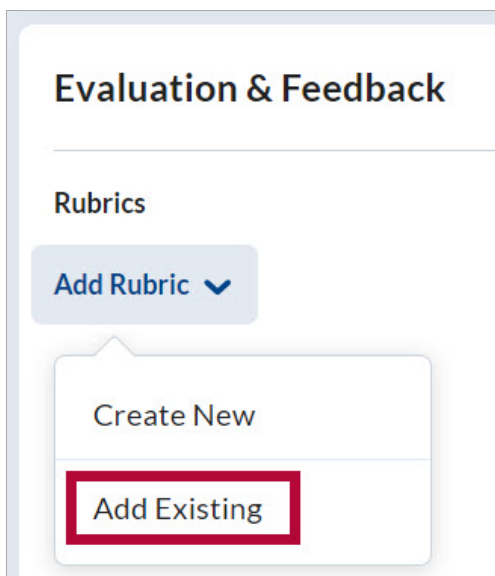

3. From the **Edit Folder** area, click the **[Evaluation & Feedback]** category and select **[Add**

Rubric].

4. Select **[Add Existing]** to select one of your previously created rubrics. Or select **[Create New]** to create a new rubric. In this example, we will select Add Existing.

5. Select the rubric you wish to associate with the Assignment and select **[Add Selected]**. In this example, we will select **[Essay Rubric]**. When finished, select **[Save and Close]**.

NOTE: Only published rubrics can be connected to an activity. If you do not see the rubric you are looking for in the rubrics list, navigate to Rubrics from the course **NavBar** (**[Course Management]** → **[Rubrics]**) and set the status of the rubric you wish to use to **[Published]**.
