

Preview Quizzes

Last Modified on 08/24/2021 12:46 pm CDT

The quiz preview option allows you to test the accuracy of your quiz content and grading before you release a quiz. While previewing a quiz, you can answer the questions, view allowed hints, submit the quiz, auto-grade answers, read feedback, and view results.

1. In the navbar, select **Course Activities**, and then select **Quizzes**.
2. From the drop-down menu of the quiz to preview, select **Preview**.
3. Select the **Bypass Restrictions** check box to view the quiz without user restrictions turned on.
4. Click the **Start Quiz!** button, and preview your quiz.
5. Click the **Exit Preview** button in the upper right corner to return to the Manage Quizzes page when done.

NOTE: If you do not either Exit Preview or Submit the Quiz, you may be blocked from your email by the restriction: **Disable Email, Instant Messages, and alerts**. See [Unable to Access Email Because of Quiz in Progress](https://vtac.lonestar.edu/help/a074) (<https://vtac.lonestar.edu/help/a074>) for information on the error.
