

Reset a Quiz Attempt

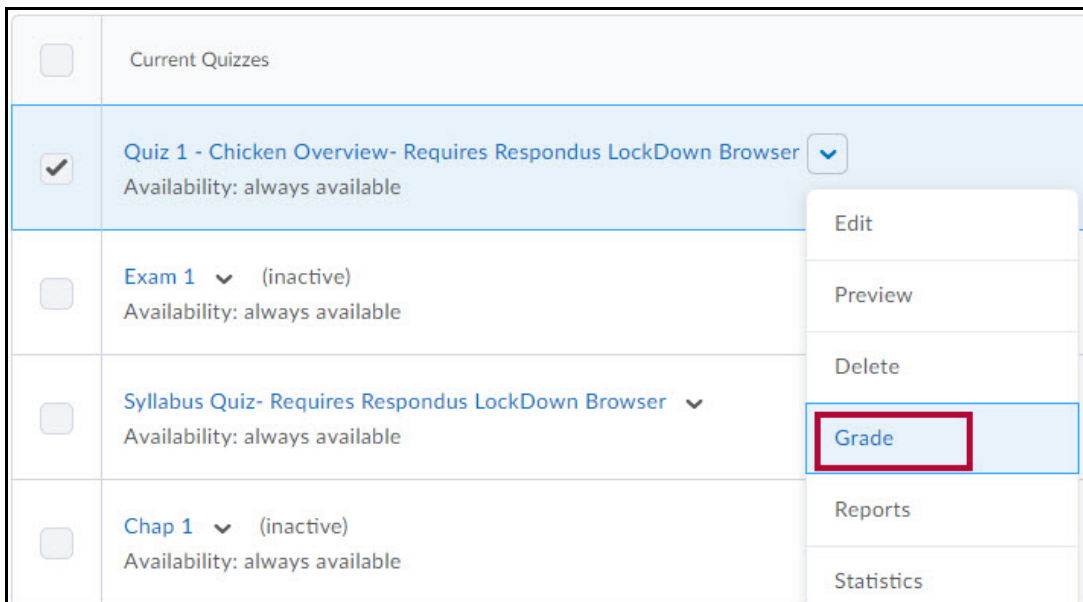

Last Modified on 12/08/2020 9:09 am CST

Before you decide to reset the quiz attempt, see the other options in [Allow Retake of a Quiz](#). If you still need to reset the attempt after reading that article, follow the instructions below to reset the attempt.

1. Go to **Course Activities > Quizzes**.

2. Click the arrow next to the quiz, and then select **Grade**.

3. If the attempt in question has already been completed, proceed to step 4.

-or-

If the student's quiz attempt is currently in progress:

1. Click Show Search Options to display the **Restrict to** field.
2. From the **Restrict to** drop-down box, select **Users who have an attempt in progress**
3. Click the magnifying glass to search.

Restrict to

Users with attempts in progress ▾

4. Select the box next to the submission to reset, and click the **Reset** option.

5. A confirmation pop-up window displays. Click the **Yes** button.

NOTE: You can view the attempt before you decide to delete it by clicking on Attempt #. You can also force the submission by clicking on the impersonate icon; for more instruction see [Submit a Quiz Stuck "In Progress."](https://vtac.lonestar.edu/help/a252) (<https://vtac.lonestar.edu/help/a252>)
