

Subscribe to a Discussion to Receive Post Alerts

Last Modified on 01/30/2024 5:07 pm CST

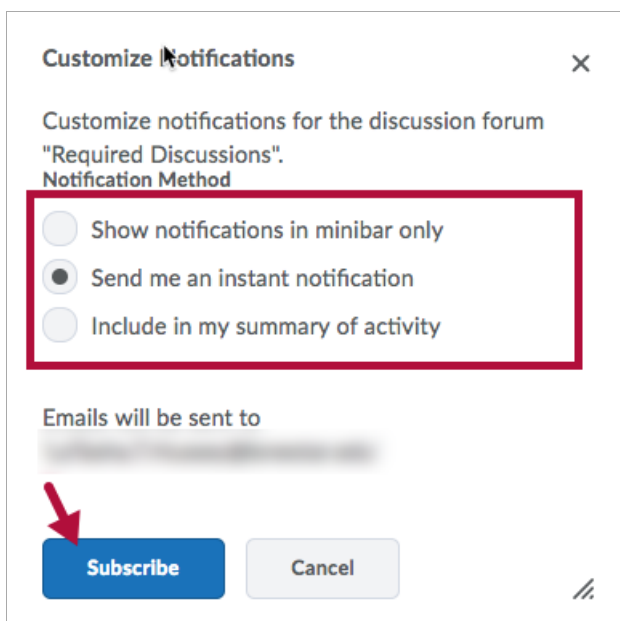

You can subscribe to a forum, a discussion topic or an individual thread.

Subscribing to a Discussion Forum or Topic

1. Click the **[Collaboration]** menu in the **navbar**, then choose **[Discussions]**.
2. On the **Discussions List** page, click **[Subscribe]** from the context menu of the forum or topic.

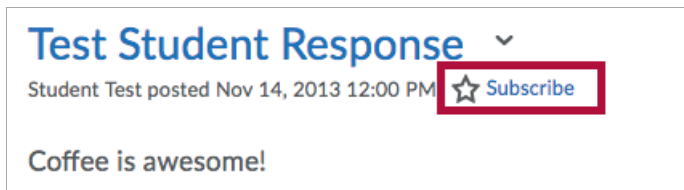

3. In the window that appears, choose a notification method and click **[Subscribe]**.

Subscribing to a Thread

1. Click on the **[Subscribe]** link at the top of the thread, near the thread title.

2. In the window that appears, choose a notification method and click **[Subscribe]**.
