

Add Topics to a Content Module

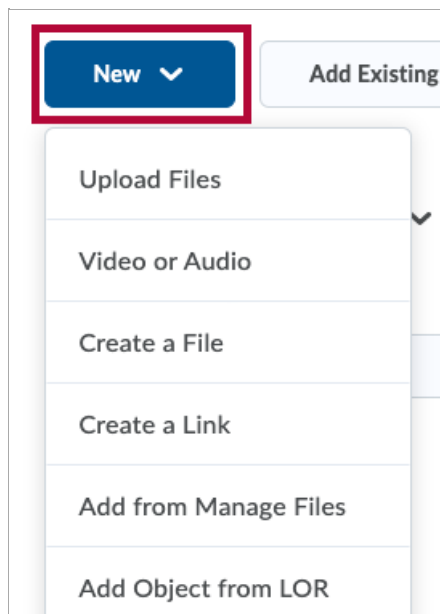

Last Modified on 08/29/2025 11:06 am CDT

Once you have created a module or sub-module to your table of contents, you can add topics to that module.

Show Video Walkthrough

To add files from your computer, the Manage files area, or the LOR, to create links, or to create a file:

1. Click the module on the Table of Contents.
2. Click on the **New** button.

3. Choose the appropriate option.

To add items from your class, such as discussions, quizzes, assignments, etc.:

1. Click the **Add Existing Activities** button.

A screenshot of a web interface showing a dropdown menu. The dropdown is titled 'Add Existing Activities' with a downward arrow. It lists several activity types: Assignments, Chat, Checklist, Discussions, ePortfolio Item, Form Templates, Quizzes, Self Assessments, and Surveys. The dropdown is highlighted with a red rectangular border.

2. Choose the type of activity you want to add.
3. Choose the specific activity you want to add.

A screenshot of a 'Add Activity' dialog box. The dialog has a title bar with 'Add Activity' and a close button (X). Below the title bar is a navigation bar with a back arrow, a dropdown arrow, and a search bar labeled 'Assignment Na...' with a magnifying glass icon. The main content area is titled 'Assignments' and lists four items, each with a book icon: 'History of Photography', 'Portraits', 'Landscapes', and 'Four Factors'. At the bottom of the dialog, there is a 'Create New Assignment' button, a link that says 'Manage Assignments (Opens in a new Tab)', and a 'Cancel' button. A small icon is visible in the bottom right corner of the dialog.
