

D2L Recommended Practices for Release Conditions

Last Modified on 11/22/2019 9:13 am CST

Best practices for creating release conditions

- Set up conditions before students access the course
- Avoid unnecessary conditions
- Avoid circular references
- Avoid impossible conditions
- Avoid contradictory conditions
- Release content based on learning ability and course performance
- Release content in stages
- Release content based on enrollment date
- Customize content for groups within a course
- Use a checklist to organize activities
- Use intelligent agents to monitor student activity or non-activity

Contact your [LSC-Online Representative](https://vtac.lonestar.edu/help/a109) for help setting up Release Conditions.
