Student photos are loaded into iStar and are available for faculty to view from the Class Rosters or the Student Services Center.

View the Class Roster

MyLonestar > Faculty Center > My Schedule > Class Roster

- From the Class Roster, click on the "Photo" icon next to the student's ID to view the individual only
- Or select "Include photos in list" to see photos for all students in the class.

The screenshot shows the iStar Faculty Center interface. At the top, there are navigation tabs for 'Faculty Center', 'Advisor Center', and 'Search'. Below these are sub-tabs for 'my schedule', 'class roster', 'grade roster', 'gradebook', and 'class assignments'. The 'Class Roster' section is active, displaying details for 'COSC 1301 - Introduction to Computers (Lecture)'. The class is scheduled for 'TBA' on 'ONLINE' with dates from '12/14/2015' to '01/10/2016'. The 'Enrollment Status' is set to 'Enrolled' and the 'Enrollment Capacity' is 33, with 12 currently enrolled. The 'Select display option' is set to 'Include photos in list', which is highlighted with a red box. Below this, a table titled 'Enrolled Students' is shown with columns for 'Notify', 'Photo', 'ID', 'Name', 'Grade Basis', 'Units', 'Program and Plan', 'Level', and 'Status Note'. The table contains three rows of student data, with the 'Photo' column for each row containing a small camera icon.
