

# Manually Grade Quiz Questions

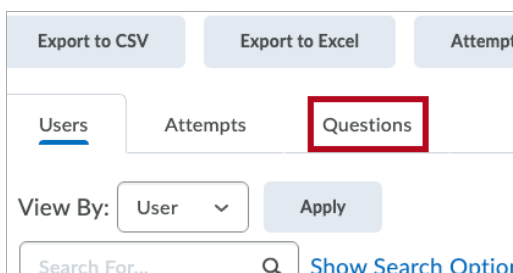

Last Modified on 12/05/2024 4:50 pm CST

The **Manually Grade Quiz Questions** feature in D2L allows instructors to evaluate responses that require manual grading, such as written or essay-type questions. Part of the **New Quiz Evaluation Experience**, it provides an intuitive interface for reviewing answers, adjusting scores, and adding feedback, ensuring fair and accurate grading.

1. From the **Manage Quizzes** page, select **[Grade]** from the context menu of the quiz to grade.

2. Select the **[Questions]** tab to view quiz responses by question.

3. Select **[Grade Individual Responses]**.
  - A. If you do not want to see the student names while grading to avoid bias, check **[Hide learners' names]**.
  - B. To view question responses that have been manually evaluated by an instructor, check **[View evaluated responses]**.
