

Send Email to Both Students' D2L and my.lonestar.edu Email Addresses

Last Modified on 02/02/2023 3:26 pm CST

NOTE: The current daily limit for outgoing D2L emails is set to 500 recipients.

You can email your students at both their D2L and their my.lonestar.edu email accounts simultaneously using the Address Book in the D2L email tool. Follow the steps below.

Configure Settings for Internal and External Email Addresses

1. Click on **Collaboration** on the navbar and choose **Email**.
2. Click on **Settings** in the top right corner of the screen.

3. Under Display Options, make sure that "**Show internal email addresses in the Address Book**" and "**Show external email addresses in the Address Book**" are checked.

4. Click on the **Save** button.

Send an Email

1. Click on the **Compose** button.

2. A new window opens. Click on **Address Book** in the top right corner.

3. Set the filter to the class containing the students you want to send emails to.

4. Select the students you want to send email to. If you want to send email to all the students at their D2L and my.lonestar.edu email addresses, click the box at the top of the list to select all the addresses.
