

View the Quizzes Event Log

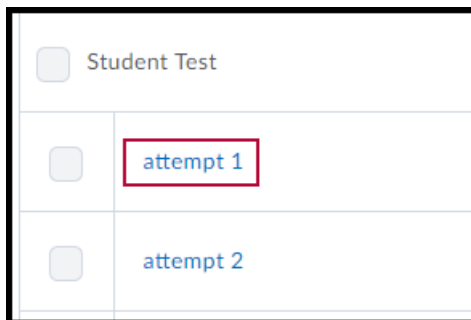

Last Modified on 03/12/2021 1:38 pm CST

The quiz log contains information about the actions taken by the student during a quiz - entries and exits from the quiz, question save times, submission times, etc.

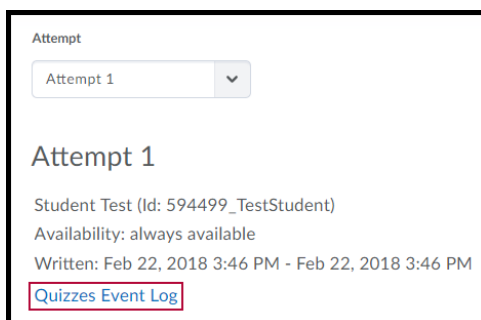

1. Go to **Course Activities > Quizzes**.
2. Click the arrow next to the quiz you're interested in, and select **Grade**.

3. Under the name of the student whose log you want view, click the attempt to view.

4. At the top of the screen, click the **Quizzes Event Log** link.

5. Under the **Event Log** heading, every action the student took while taking the quiz is listed.
