

Brightspace Pulse

Last Modified on 11/06/2024 9:26 am CST

Brightspace Pulse is a mobile app that helps students keep track of important updates such as news, deadlines, and grades in one place. Pulse enables students to spend less time organizing and more time learning.

Pulse is available on iPhone, iPad, and Android™ devices and provides seamless login to D2L. Students can stay connected with their courses anytime they're on campus, at home, or on the move.

For student instructions on using Pulse, see [Using Pulse \(http://vlac.lonestar.edu/help/using-pulse\)](http://vlac.lonestar.edu/help/using-pulse).

There is also a flyer you can share with your students. Click the image on the right to view it as a PDF.

Current Versions

The latest version of Brightspace Pulse is supported on devices with iOS® 12+ or Android™ 6.0+ (2015 release). Older versions of Brightspace Pulse will continue to work on devices with iOS 11 or Android 5.0, but will not receive any app updates. For an optimal experience, D2L recommends installing the latest version of Brightspace Pulse on devices with iOS 12+ or Android 6.0+.
