

Add InQuizitive to Your D2L Course

Last Modified on 03/01/2022 1:00 pm CST

InQuizitive is a formative, adaptive learning tool that supports select W. W. Norton textbooks. Instructors most often assign InQuizitive as pre-lecture assignments to ensure students come prepared to lectures, quizzes, and exams.

Adding Norton InQuizitive Content to Your D2L Course

Contact your Norton representative for information about adding InQuizitive links to your course. You can also find help information at the [Norton Instructor Help Notes](#)

(<https://wwnorton.knowledgeowl.com/help/inquizitive-instructors>).

NOTE: As of 2/23/2022, the Norton representative is: Sarah Miller - smiller@wwnorton.com
