1. Select the **[Macmillan Course Tools launch]** link you added in the previous steps above.

The screenshot shows the Macmillan Achieve interface. At the top, there is a search icon and the text "Macmillan Achieve". Below this, there are fields for "Add dates and restrictions..." and "Add a description...". There are two buttons: "New" and "Add Existing Activities". A list of items is displayed, with the first item, "Macmillan Course Tools launch", highlighted with a red box. This item has a sub-item "Third-party Integration" below it. The list also includes "Macmillan Course Tools launch" and "1".

2. Select **[Connect with Achieve]**.

The screenshot shows the "Macmillan Course Tools launch" page. It has a header "Macmillan Course Tools launch". Below it, there are two sections: "Course Tools" and "Support Tools". The "Course Tools" section contains a button labeled "Connect with Achieve" with the sub-label "Set up your Achieve connection". The "Support Tools" section contains three items: "Macmillan Learning Diagnostics" (with a stethoscope icon), "Macmillan Technical Support" (with a headset icon), and "Macmillan User Profile" (with a user icon). The "Connect with Achieve" button is highlighted with a red box.

3. An authentication message will appear, select **[Authenticate]**.
