Add Macmillan Launchpad to Your D2L Course

> **NOTE:**
> - These instructions include tutorial videos from Macmillan. It is *highly recommended* that you read the steps and watch the videos before performing them.
> - LSC-Online does not have access to your Macmillan account. For integration issues, please contact your Macmillan representative.
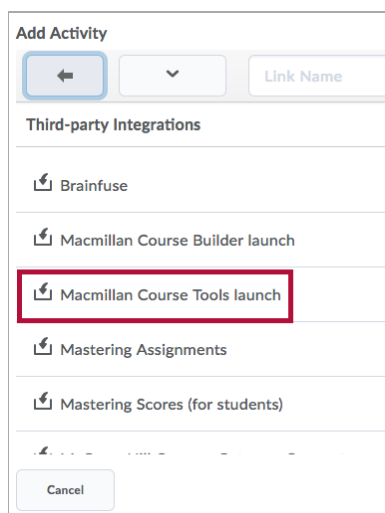

The Macmillan Launchpad integration has been enabled for all D2L courses.

Adding Macmillan LaunchPad to a D2L Course

1. Make sure you are not logged into Macmillan LaunchPad. If you opened LaunchPad previously, please close your browser and re-open to be sure you are not still logged in.

2. In D2L, navigate to your course, and then click **Content**.

3. Navigate to the **module** to add the link.

4. Click the **[Add Existing Activities]** button, and then **[Third-party Integrations]**.

5. Select the **[Macmillan Course Tools launch]** option.
