

# Add Barnes and Noble College Link to Your Course

Last Modified on 01/19/2021 11:11 am CST

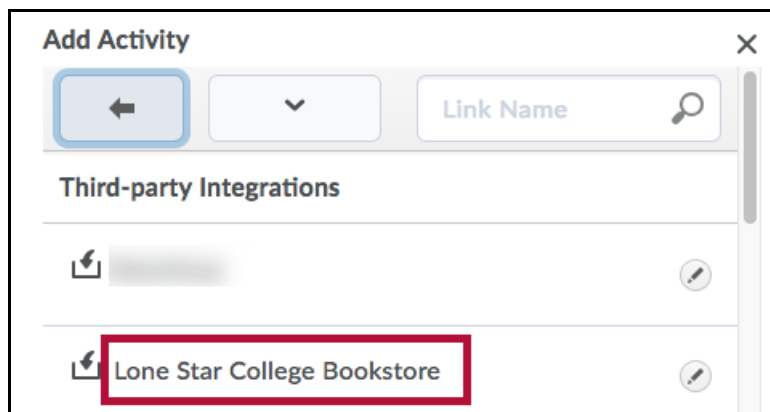

You can add a link to Barnes and Noble College so that your students can purchase textbooks through D2L.

## Adding Barnes and Noble College Link to Your Course

1. Click on **Content** and choose the Module in which you want to add the Barnes and Noble College link.
2. Click **Add Existing Activities** and choose **Third-party Integrations**.

3. Choose **Lone Star College Bookstore**.

4. A link will be placed in your module titled "Lone Star College Bookstore." Students will be able to click that link to purchase textbooks for the course. To see what the student experience looks like, see [Purchase Your Textbook with Barnes & Noble College](http://vlac.lonestar.edu/help/b102) (<http://vlac.lonestar.edu/help/b102>).
