Naming Videos

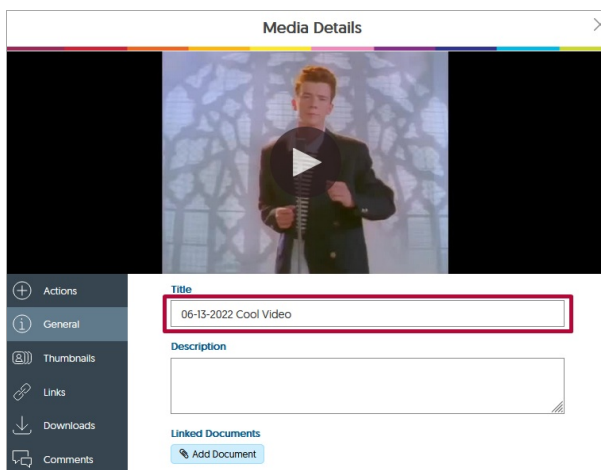

NOTE: For best practices, have meaningful naming conventions for your videos, include 6 digit dates.

(Example: 06-13-22 for June 13th, 2022)

1. Mouse over your video, then click on **More** to rename your video.

2. Rename the video to include 6 digit dates (Example: 06-13-2022 Cool Video).

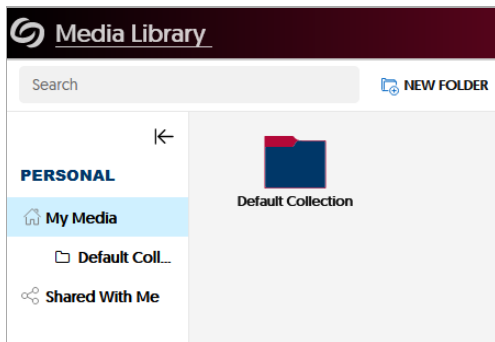

3. When finished, click on **[Save General]** in the lower-right corner of the window.

Organize Videos

NOTE: Files will be saved in the **Default Collection** folder, unless you have created a new folder. If you have many videos, folders are useful to organize them by course or topic.

1. Click **New Folder** to create a folder.

2. Name your folder, then hit **[Save]**.

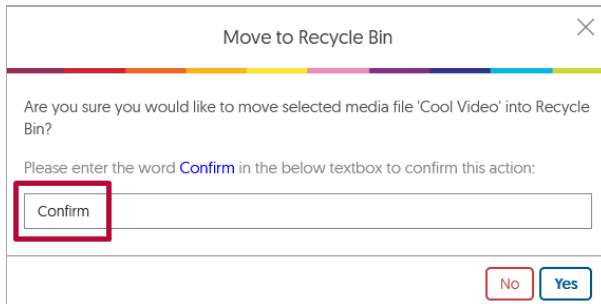

3. You will then be able to upload into the new folder. Please refer to [Manual Upload or Download Video for Yuja](https://vtac.lonestar.edu/help/yuja-upload-download) for more info.

Delete Videos

1. To delete a video, simply click on **[Delete]** while mousing over the video you wish to delete.

2. Type in the word **Confirm** into the textbox, please note that this field is case sensitive. Click on **[Yes]**.

3. Your video is now deleted.
