

Manually Issue an Award

Last Modified on 01/29/2026 3:44 pm CST

In situations when you wish to issue an award but the release criteria do not apply, you can manually issue awards.

 [Show Video Demo](#)

1. From within a course, on the navbar click **[Collaboration] → [Awards]**.
2. Click on the **[Classlist Awards]** tab.

3. Select one or more students in the **Classlist** using the **[checkboxes]**.

4. Click **[Issue]**.

5. This will open the **Issue Award** page. Choose an Award from the **Select an Award** drop-down list.
