

# Manually Issue an Award

Last Modified on 03/21/2023 12:31 pm CDT

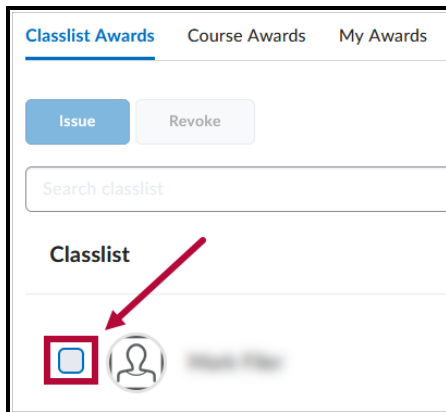

In situations when you wish to issue an award but the release criteria do not apply, you can manually issue awards.

Show Video Walkthrough

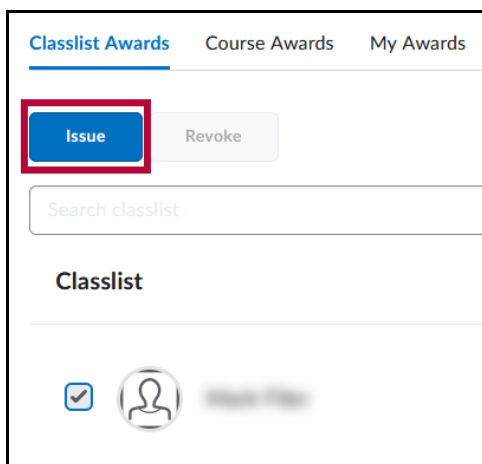

1. From within a course, on the navbar click **[Collaboration]** > **[Awards]**.
2. Click on the **[Classlist Awards]** tab.

3. Select one or more students in the **Classlist** using the **[checkboxes]**.

4. Click **[Issue]**.

5. This will open the **Issue Award** page. Choose an Award from the **Select an Award** drop-down list.

**Issue Award**
