Requesting H5P For Your Course

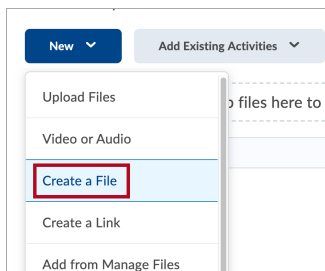

If you are using H5P content provided by the library, you may request to have H5P enabled in your course. Please include your course details: *Subject Area, Catalog Number, Section, and Term*. At this time, licenses are not available for faculty who wish to author or create new H5P content. Send an email to VTAC@lonestar.edu ().

How to Author Content

For instructions on authoring content in H5P, see H5P's [Content author guide](https://h5p.org/documentation/for-authors). (<https://h5p.org/documentation/for-authors>)

How to Add Content to D2L

1. Go to the module where you want to add the H5P content and click on **[New]** then choose **[Create a File]**.

2. In the **HTML Editor** that opens, click **[Insert Stuff]** button in the toolbar.

3. Scroll down and click **[H5P]** and add your material.
