

# Add H5P Content to Your D2L Course

Last Modified on 11/23/2020 9:59 am CST

## Getting Your Course Set Up with H5P

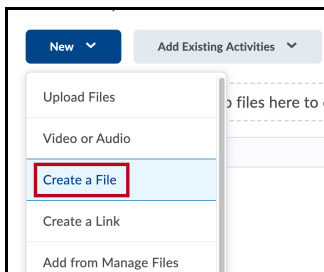

1. Send an email to [VTAC@lonestar.edu](mailto:VTAC@lonestar.edu) ().
2. Include a list of the courses, complete with section numbers and terms, in which you wish to use H5P.

## How to Author Content

For instructions on authoring content in H5P, see H5P's [Content author guide](https://h5p.org/documentation/for-authors). (<https://h5p.org/documentation/for-authors>)

## How to Add Content to D2L

1. Go to the module where you want to add the H5P content and click on **New** then choose **Create a File**.

2. In the HTML editor that opens, click the **Insert Stuff** button in the toolbar.

3. Scroll down until you reach the link that says **H5P**. Click that link and add your material.
