

# Restore a Deleted Quiz Attempt

Last Modified on 06/07/2021 9:42 am CDT

The Attempt Log enables you to view information about specific activity on quiz attempts. The attempt log tracks the student taking the quiz, the quiz entry time, the quiz completion time, deleted and restored attempts, and the user who modified each attempt.

## View the Quiz Attempt Log

1. Click **Course Activities** on the navbar and choose **Quizzes**.
2. From the context menu for the quiz, click **Attempt Logs**.

## Restoring Deleted Quiz Attempts

1. On the Attempt Log page, click **Quiz Attempt Deleted** to narrow the list to only deleted attempts, then click the **Restore** button next to the attempt you want to restore.
