

Annotate Learner Submissions

Last Modified on 04/01/2022 1:07 pm CDT

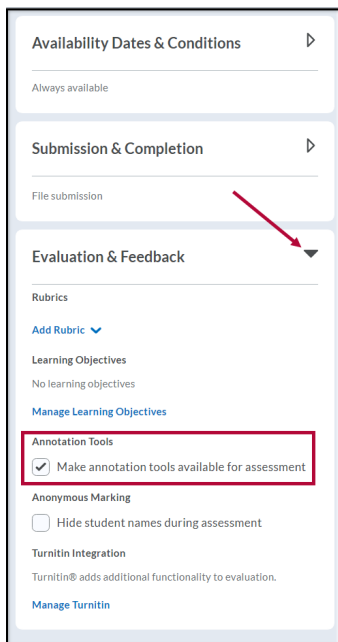

D2L Assignments contain a built-in annotation toolbar that allows faculty to highlight, draw, create shapes, and write comments on student submissions.

Enabling/Disabling Annotations

1. From the Assignments listing, click the arrow beside the Assignment folder and select **Edit Folder**.

2. On the right-hand side of that page, locate and select **Evaluation & Feedback**; check *Make annotation tools available for assessment*.

3. Click **Save and Close**.

Accessing Annotations in a Student Submission

1. From the **Assignment Folders** page, click the folder to view its submissions.
2. Click the **Title** of the student submission.
