If you accidentally delete a grade item, it can be restored in the event log.

1. Click on Grades in the navbar.
2. Click on **[More Actions]** and choose **[View Event Log]**.

3. To the right of the grade item that you want to restore, click **[Restore]**.

The screenshot shows the 'View Event Log' interface. At the top, there is a search bar with 'Search For...' and a magnifying glass icon, and a 'Show Search Options' link. Below is a table with the following data:
