

# Add Pearson Revel 1.1 (Old Version) to Your D2L Course

Last Modified on 01/10/2023 4:05 pm CST

1. Go to the module where you want to add your Revel content.
2. Click on **[Add Existing Activities]** and choose **[Third-party Integrations]**.

3. Choose the **[Pearson Revel]** link and add Revel content.

See Pearson's user guide for [adding Revel content to D2L](https://media.pearsoncmg.com/long/CEPM.selfpaced/./Curriculum/Fall2020Webinars/revel/Revel%20for%20Educators_%20Revel%20Integration%20with%20Brig)

([https://media.pearsoncmg.com/long/CEPM.selfpaced/./Curriculum/Fall2020Webinars/revel/Revel%20for%20Educators\\_%20Revel%20Integration%20with%20Brig](https://media.pearsoncmg.com/long/CEPM.selfpaced/./Curriculum/Fall2020Webinars/revel/Revel%20for%20Educators_%20Revel%20Integration%20with%20Brig))

**NOTE:** The Revel documentation mentions **External Learning Tools**. This is called **Third-party Integrations** in our instance of D2L.
