Copy an Assignment

D2L allows faculty to copy assignment folders within a course. This feature copies over most of the original folder's settings, but does not include gradebook associations or Turnitin settings.

1. Click the **[Course Activities]** menu in the navbar, then choose **[Assignments]**.
2. Click the arrow beside the folder you want to copy. Select **[Copy Assignment]** from the context menu.

3. Locate the new assignment folder at the bottom of your assignment folder list. The new folder will have the word "copy" in front of the title.

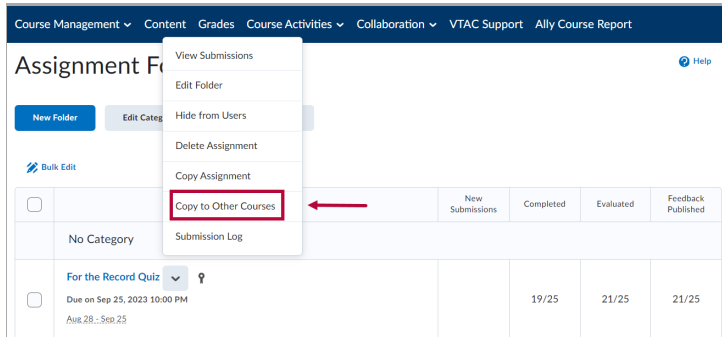

4. Make necessary [edits \(https://vtac.lonestar.edu/help/a035\)](https://vtac.lonestar.edu/help/a035) to the copied folder.
