Add uCertify Content to Your D2L Course

Last Modified on 07/22/2026 10:50 am CDT

uCertify has been upgraded to LTI 1.3. If you used **uCertify** previous to Summer '26 it is required to set up your course to transition to LTI 1.3. Please contact your uCertify representative, **Vartika Yadav** at vartika.yadav@ucertify.com () for assistance with this transition.

Online Services does not have access to your **uCertify** account. For integration issues, please contact your uCertify representative, **Vartika Yadav** at vartika.yadav@ucertify.com ().

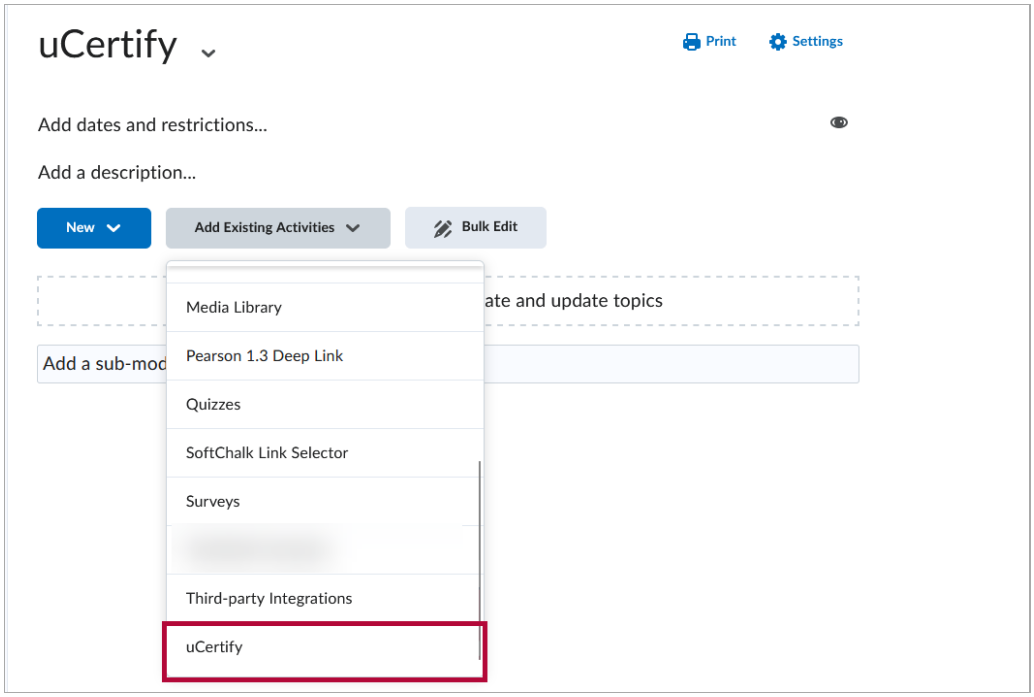

Getting Your Course Set Up

1. Send an email to VTAC@lonestar.edu ().
2. Include a list of the courses, complete with section numbers and terms, in which you want to use uCertify.

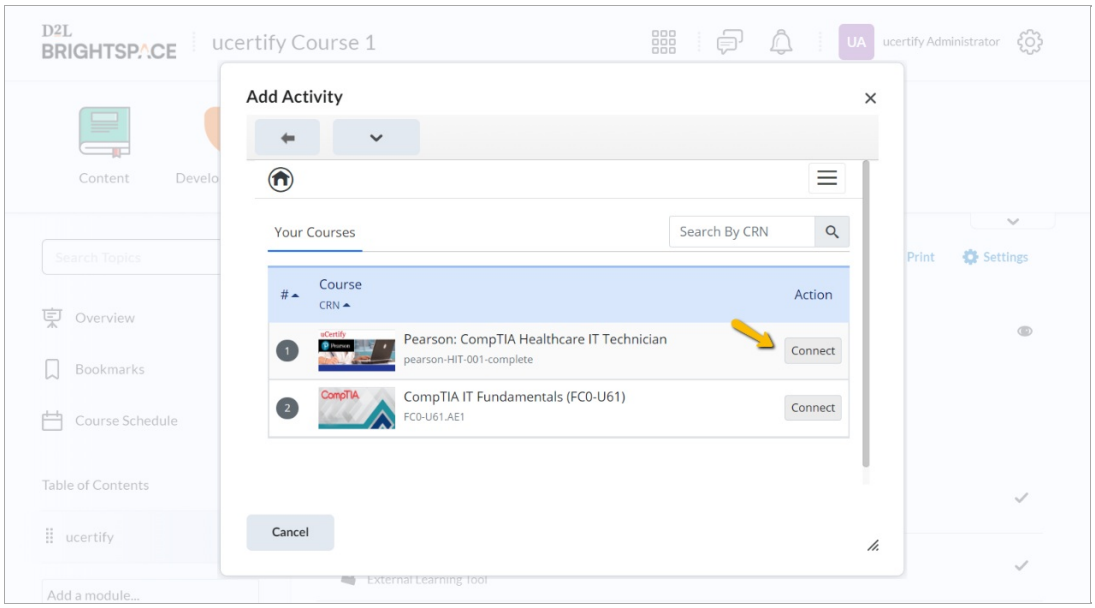

Adding uCertify Content to Your Course

1. Open the course shell on D2L and click on the **Content** tab.

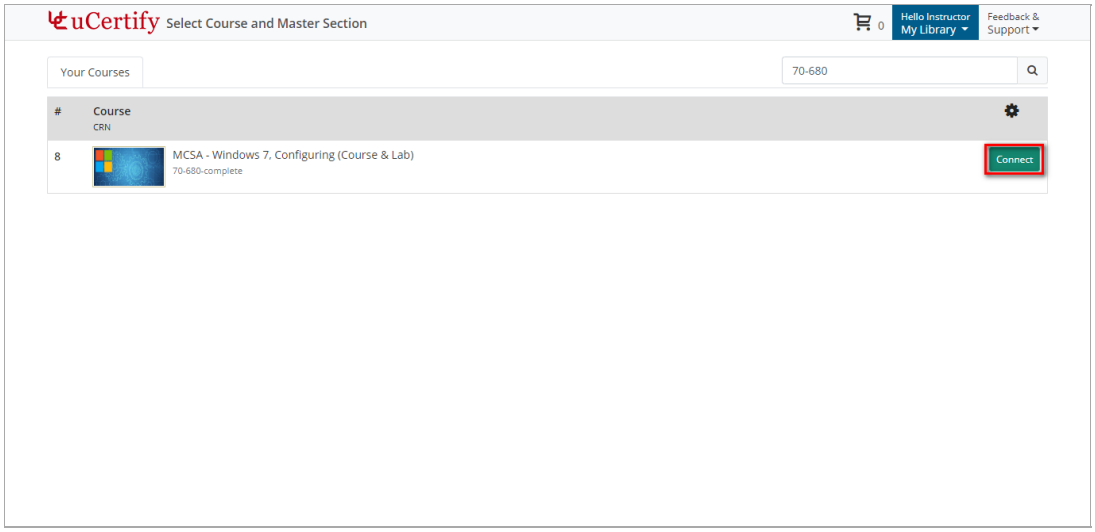

2. Now create a **Module** and then click on the **[Existing Activities]** drop-down and then select **[uCertify]** from the list.

3. It will redirect you to the **Select Course and Master Section** page of uCertify. You will see all your **My Library** courses here.

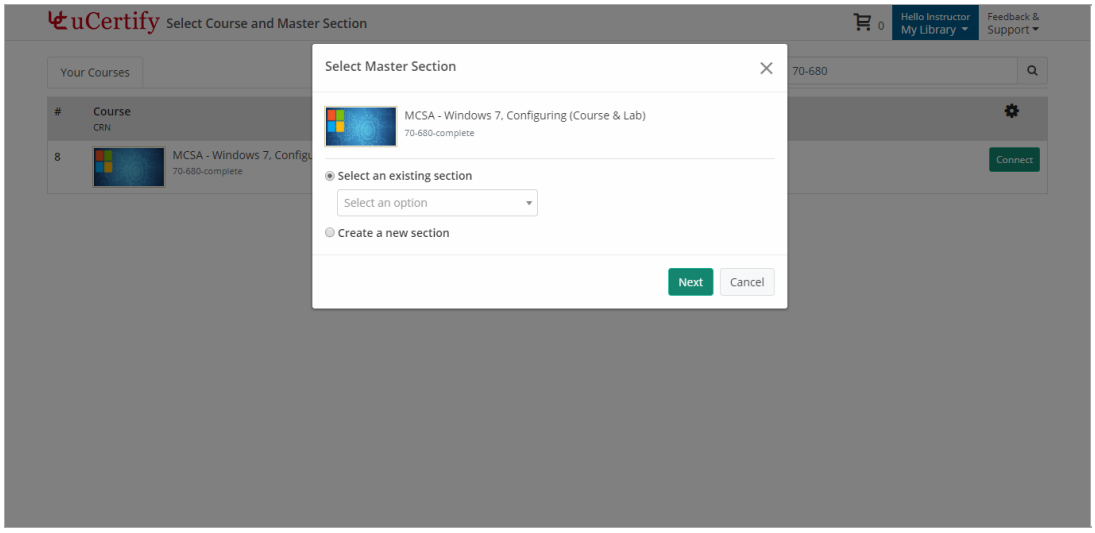

4. From here, you will be taken to the **uCertify** website. Search your course using the course **CRN** in the **Search** textbox.

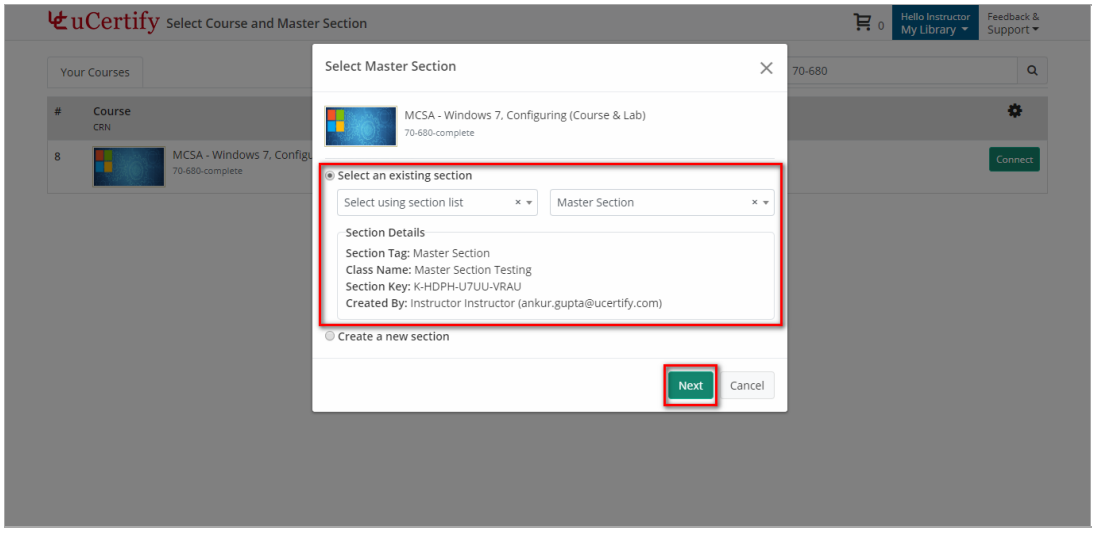

NOTE: If you are enrolled in the searched course, you will see a Continue button. Otherwise, you will see an **[Add To My Library]** button. Click the **[Add to My Library]** button to enroll in the course and then the Continue button will appear.

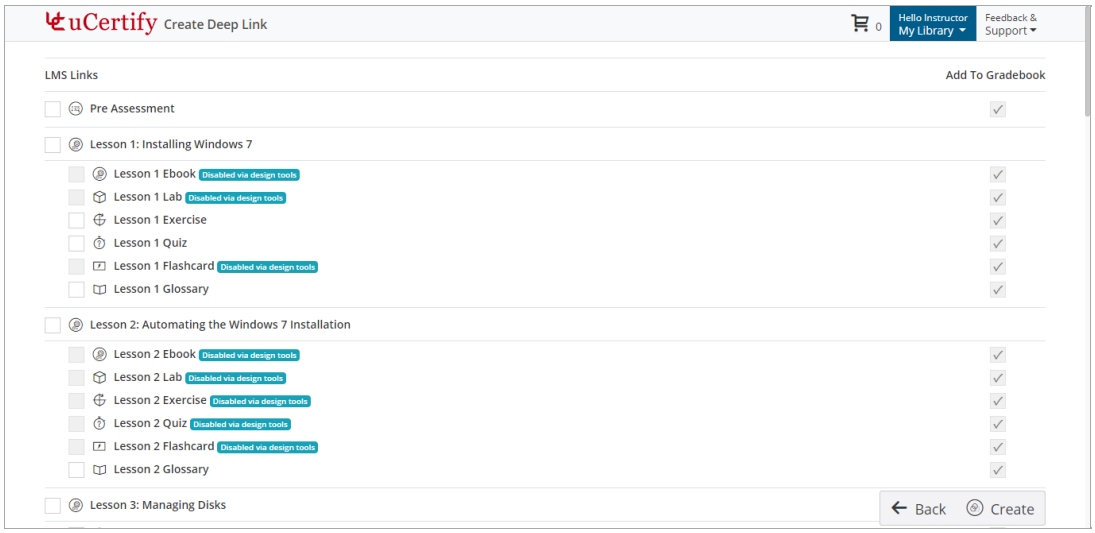

5. Click the **[Continue]** button. The **Select Master Section** modal box will appear.

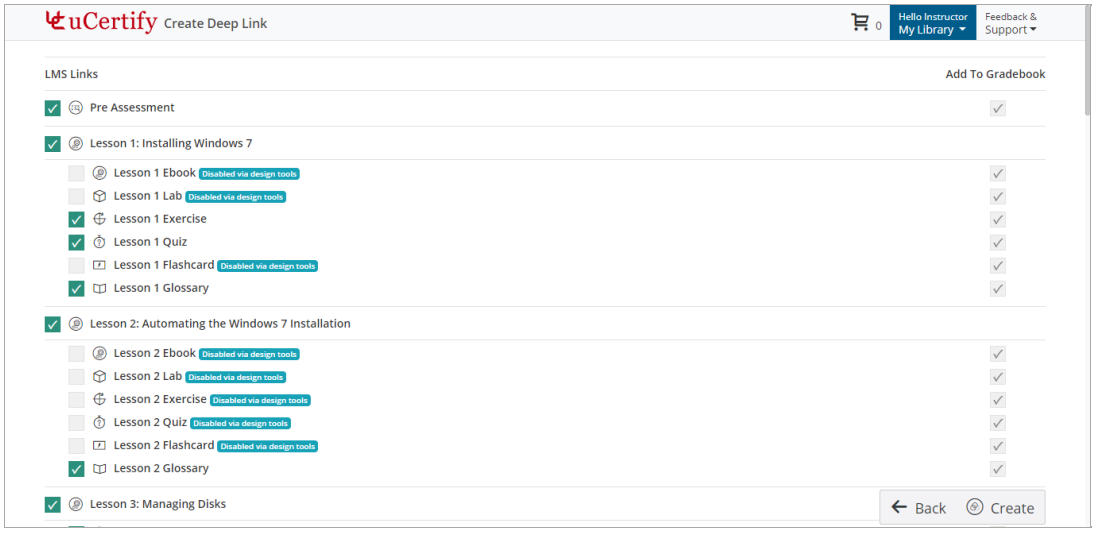

6. Select your created master section from the **Select an existing section** drop-down or select **Create a new section** radio button for creating a new section. Click the **[Next]** button.

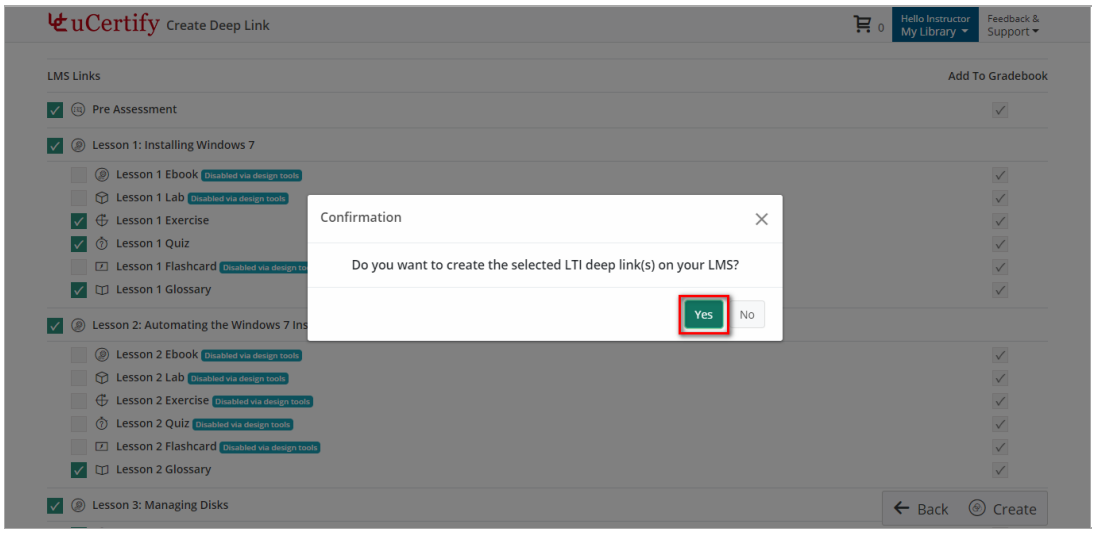

7. After clicking the **[Next]** button, It will redirect you to the **Create Deep Link** page of uCertify.

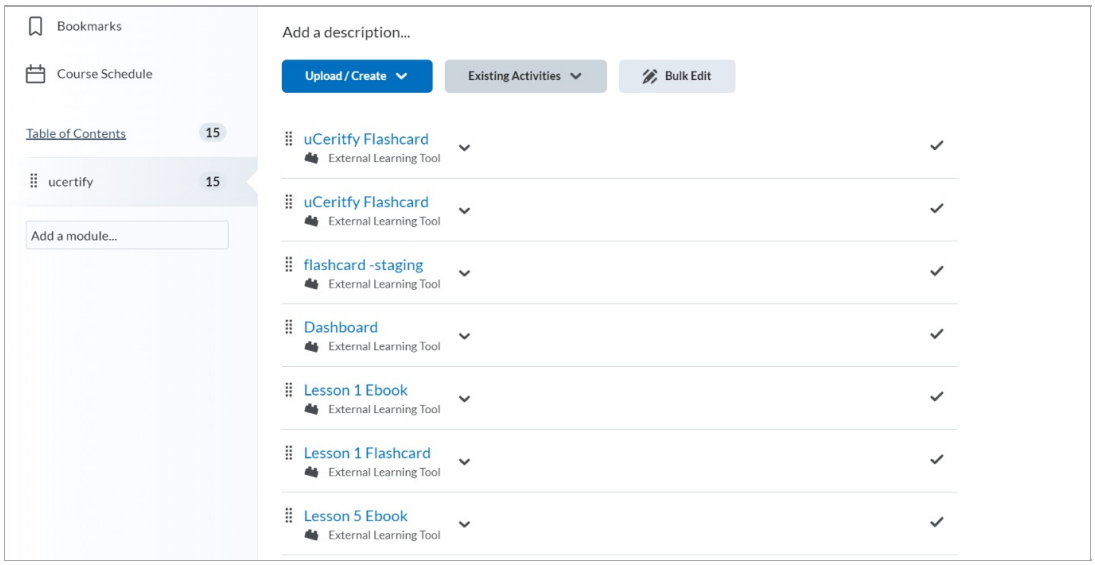

8. Select the deep links and click the **[Create]** button.

9. A **Confirmation** modal box will open. Click the **[Yes]** button for creating selected **Deep Links** on your LMS.
