# Add uCertify Content to Your D2L Course

Last Modified on 02/13/2025 2:09 pm CST

LSC-Online does not have access to your **uCertify** account. For integration issues, please contact your uCertify representative, **Vartika Yadav** at <u>vartika.yadav@ucertify.com ()</u>.

#### **Getting Your Course Set Up**

- 1. Send an email to <u>VTAC@lonestar.edu ()</u>.
- 2. Include a list of the courses, complete with section numbers and terms, in which you want to use uCertify.

#### Adding uCertify Content to Your Course

- 1. Open the course shell on D2L and click on the **Content** tab.
- 2. Now create a **Module** and then click on the **[Existing Activities]** drop-down and then select **[uCertify]** from the list.
