

Add Lumen Content to Your D2L Course

Last Modified on 11/21/2024 9:21 am CST

Lone Star College has received a Gates Foundation grant to participate with Waymaker to deliver online content (OER) from Lumen Learning.

Waymaker is Lumen's courseware, combining curated, outcome-aligned open educational resources (OER) with personalized learning technologies that help instructors find and support the individual students who need it most. Waymaker keeps the person in personalized learning.

This is already enabled in all courses.
