

View Content Report & Completion Progress

Last Modified on 03/11/2026 11:12 pm CDT

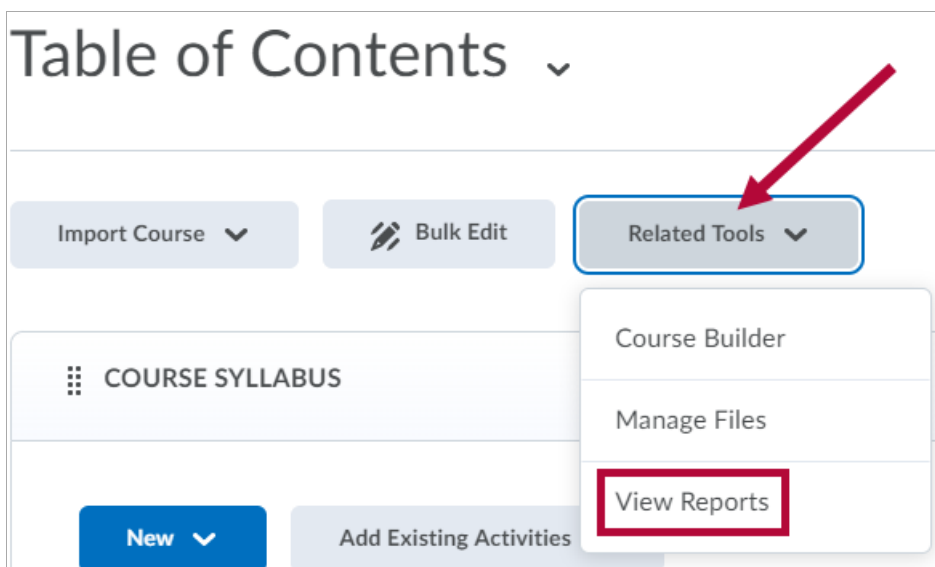

You can view and track student progress through content topics through **Content Reports** and **Completion Progress**. Content Reports provide instructors with insight into how students are interacting with course content and materials, while Completion Progress provides instructors with information on student completion of individual content topics.

Access Content Reports

1. In your D2L course, go to **[Content]** → **[Table of Contents]** inside of a course's content area.

2. Click **[Related Tools]** and select **[View Reports]**.

View Content Statistics Based on Modules and Content Items

1. The **Content Report** will provide the following information:

Content		Users					
Total Number of Users		Users Who Have Visited Content		Average Time Spent on Content			
A 16		B 16		C 5:00:25			
D Expand All Collapse All		E		F		G	
Content	Available To	Users Visited	Average Time Spent				
▼ Module 1. COURSE SYLLABUS	16	16	0:01:00				
i. [Progress Bar]	16	14	1:25:19				
ii. [Progress Bar]	16	8	0:00:19				

- A. **Total Number of Users**: The total number of users within the course that have access to course content.
- B. **Users Who Have Visited Content**: The total number of users that have accessed course content.
- C. **Average Time Spent on Content**: Time spent viewing content divided by the total number of visitors.
- D. **Content**: Content modules, activities, and items.
- E. **Available To**: Click on the number beside the content module or item to see a list of users that have access to a particular piece of content.
- F. **Users Visited**: Click on the number beside the content module or item to see a list of users that have visited a particular piece of content.
- G. **Average Time Spent**: The average amount of time spent on a particular piece of content or module.

View Content Reports by User

1. Click on the **[Users]** tab to view and access content reports based on individual users.
2. Click on a user's name to view individual reports.

Content		Users	
View By: User		Apply	
Search For...		Show Search Options	
Last Name, First Name	Content Topics Available	Content Topics Visited	
[User Name]	50	13	

- o This view allows an instructor to see additional details on students' activity in course content.

Content		Users	
Username	Topics Available	Topics Visited	
Roger Chambers	50	13	
Title	Available	Visits	Average Time Spent
Module 1. COURSE SYLLABUS	Yes	4	0:00:46
i.	Yes	3	0:00:46
			Last Visited
			Jan 12, 2016 7:04 PM
			Dec 3, 2015 1:40 PM

View Completion Progress in Content

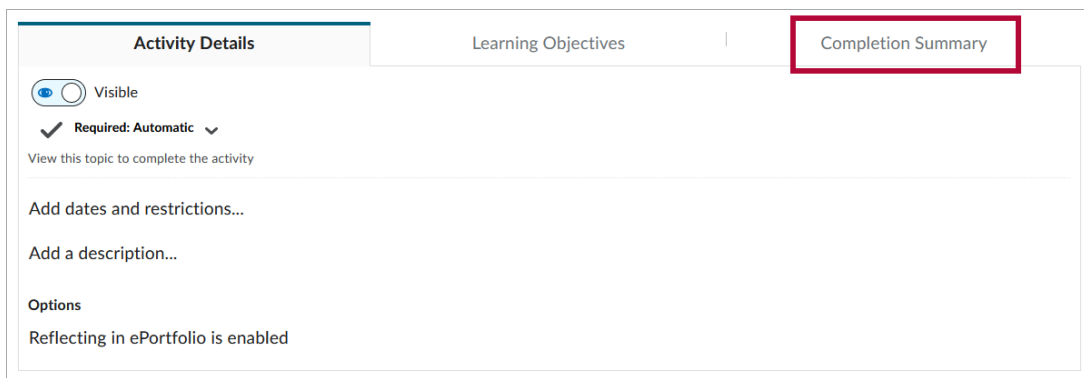

Completion Progress allows you to view completion information for an individual **Content** topic. To turn **Completion Tracking** on or off, see [Adjust Completion Tracking of Content Topics \(https://vtac.lonestar.edu/help/visibility-and-completion-options-in-content-modules#adjust-completion-tracking-of-content-topics\)](https://vtac.lonestar.edu/help/visibility-and-completion-options-in-content-modules#adjust-completion-tracking-of-content-topics).

1. Navigate to **[Content]**.
2. Click on the **[Module]** and **[Topic]** you want to view completion tracking results for.

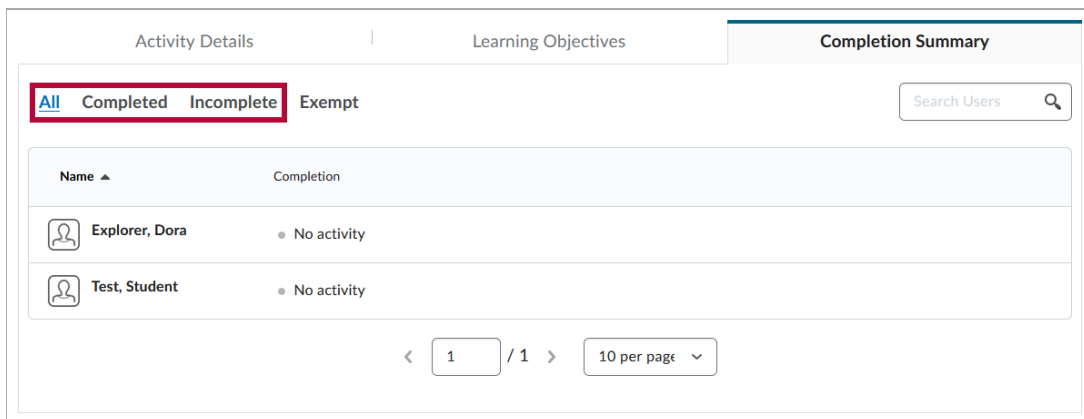

The screenshot shows the LMS interface with the following elements:

- Navigation Bar:** Course Management, Content, Grades, Course Activities, Collaboratio
- Search:** Search Topics
- Table of Contents (Left Sidebar):** Overview, Bookmarks, Course Schedule, Table of Contents (1), Week 1 (1) [highlighted with a red box]
- Main Content Area (Right):** Week 1, Add dates and restrictions..., Add a description..., New, Add Existing Activities, Syllabus [highlighted with a red box and pointed to by a red arrow], Web Page, Add a sub-module...

3. Click the **[Completion Summary]** tab in the bottom right of the page.

4. In the **[Completion Summary]** tab, you can choose any of the options below:

- To view all learners' results for the topic, click **[All]**.
- To view all learners who have completed the topic, click **[Completed]**.
- To view all learners who have not completed the topic, click **[Incomplete]**.
