## Work To Do Widget

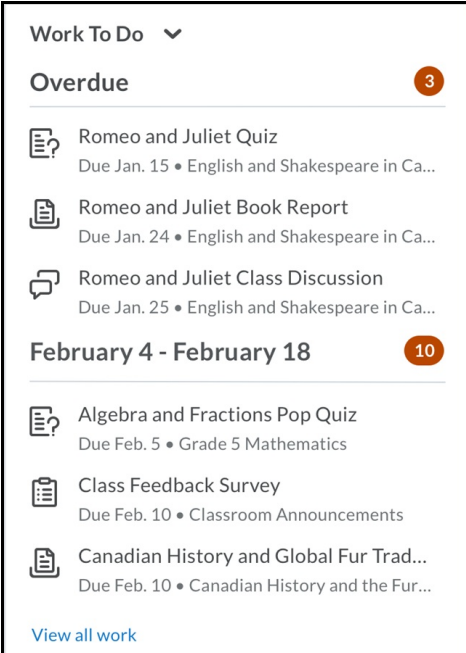

The Work To Do widget provides students a summary of assigned learning activities from all their courses that are overdue or have an upcoming due date.

The Work To Do widget displays the following learning activities:

- Assignments
- Checklists
- Content
- Courses
- Discussions
- Surveys
- Quizzes

**NOTE:** It is not recommended to set **Start Dates** and **End Dates** on Content Modules. Even if the activities of a module will be completed the module still show as "Overdue" on the "Work-to-do" widget.

If a student has activities that are late or due, the widget displays this:

The screenshot shows a 'Work To Do' widget with a dropdown arrow. It is divided into two sections. The first section, 'Overdue', has a red circle with the number '3' and lists three items: 'Romeo and Juliet Quiz' (due Jan. 15), 'Romeo and Juliet Book Report' (due Jan. 24), and 'Romeo and Juliet Class Discussion' (due Jan. 25). The second section, 'February 4 - February 18', has a red circle with the number '10' and lists three items: 'Algebra and Fractions Pop Quiz' (due Feb. 5), 'Class Feedback Survey' (due Feb. 10), and 'Canadian History and Global Fur Trad...' (due Feb. 10). A 'View all work' link is at the bottom.

Activity	Due Date	Course
