

Add Top Hat to Your D2L Course

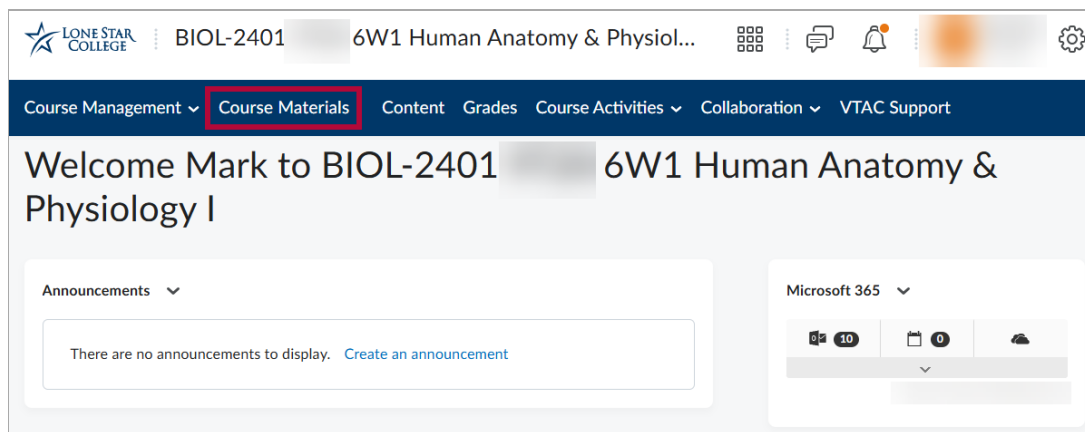

Last Modified on 08/13/2025 2:15 pm CDT

LSC-Online does not have access to your **Top Hat** account. For integration issues or questions, please contact your Top Hat representative **Mary Coman** mary.coman@tophatmonocle.com () or support@tophat.com ().

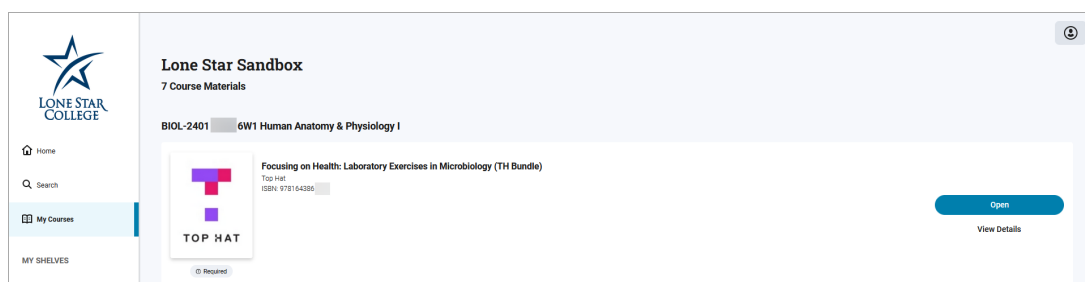

Top Hat is a student response, web-based system. Instructors can use Top Hat to poll students, ask discussion prompts, present lecture material and track attendance. Students can respond to Top Hat questions and prompts using the devices they already own.

Connecting Top Hat with your D2L Course via VitalSource Dashboard

1. Navigate to your D2L course.
2. From the course Navbar, click **[Course Materials]**.

3. The **Course Materials Dashboard** will open in a new browser tab.

4. Log into your Faculty **Top Hat** Account.

5. Select your Top Hat Course and **[Continue]**.

Connect Your Courses

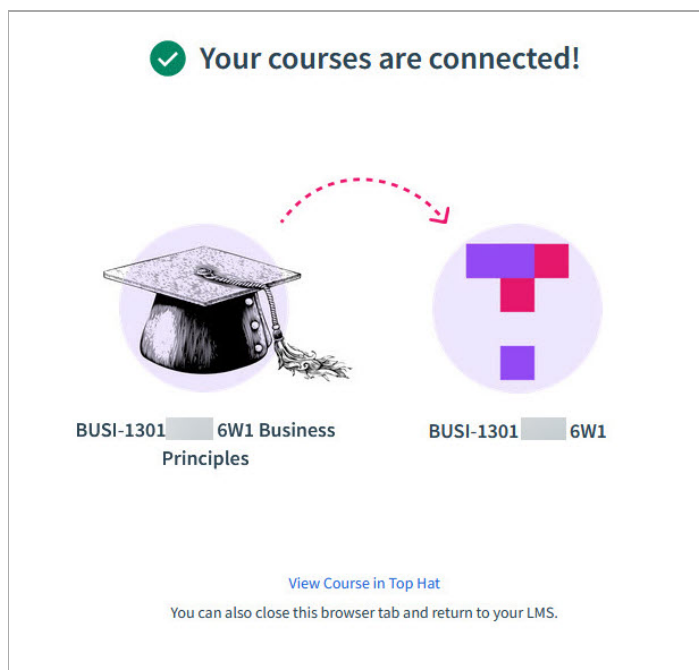

Choose a course to connect with **BUSI-1301 9T20 6W1 Business Principles**
or [create a new course](#) in Top Hat

BUSI-1301 6W1

Continue

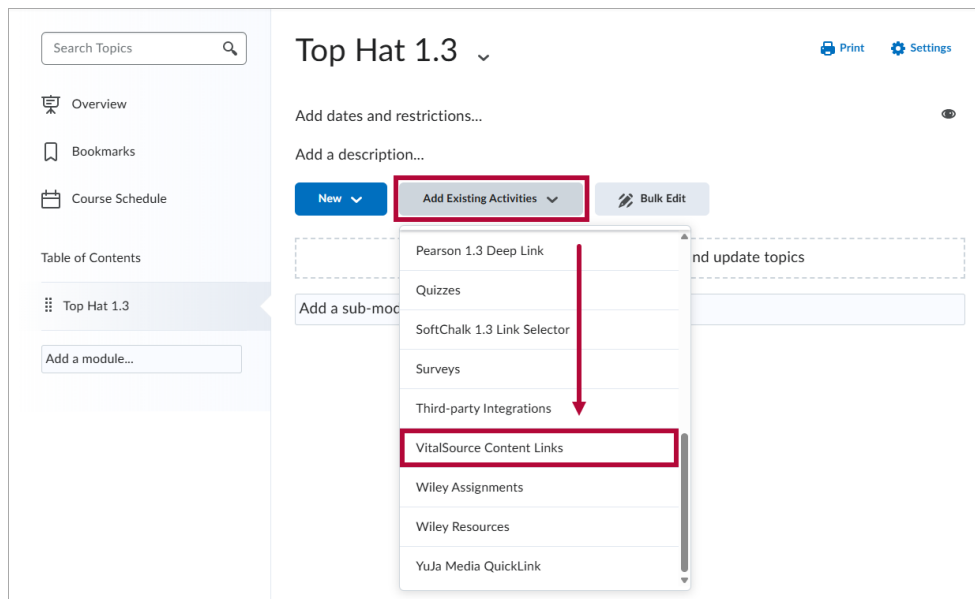

6. Confirm your courses are properly connected.

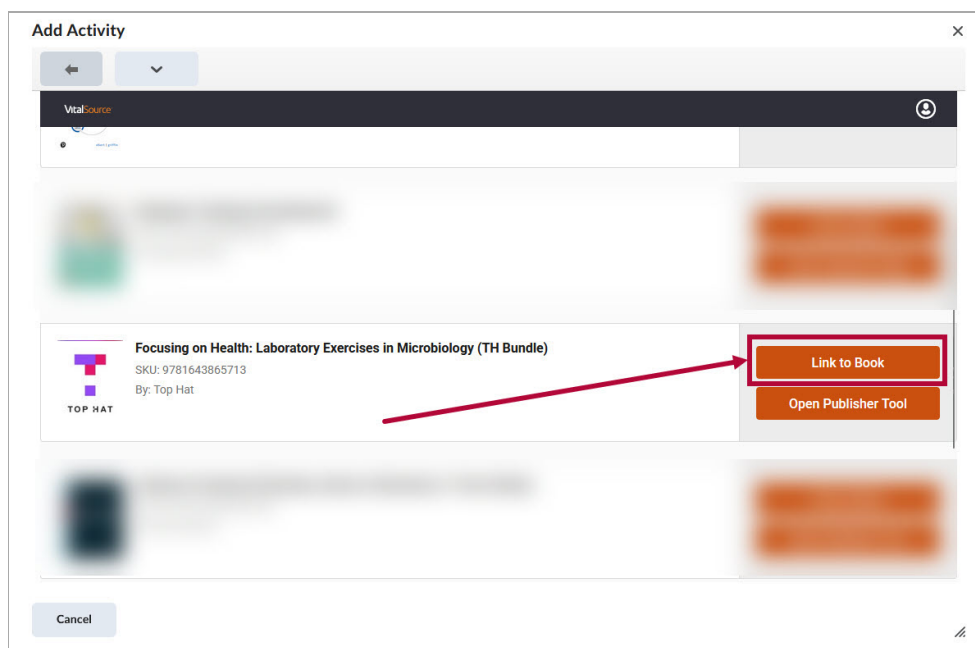

Adding Top Hat Content to a Module using VitalSource

1. Navigate to the Content Module you wish Top Hat items to be placed in and click **Add**

Existing Activities] and select **[VitalSource Content Links]**.

2. Confirm the textbook is correct and choose **[Link to Book]**.

3. Select the Content you wish to add to the D2L Module by selecting the checkbox next to each item. If this is a graded item, make sure to click **[Sync grade of selected content]** is checked. Then click **[Continue]**.

Select Content

Assign content in Top Hat
Students can use deep links only after content is assigned in Top Hat. Start and due dates in Top Hat should match the LMS. Learn more at our [Success Center](#).

Items Selected

- Test Question 1
- ☒ Top Hat Production Sandbox Exam Test 1
- Top Hat Test Test

1

2 ☒ Sync grades of selected content

3 Close **Continue**

NOTE: If **[Sync Grade of selected content]** was selected, a Grade Item in D2L will be instantly and automatically created with the same name.

4. If the items are correct on the Confirmation window, click **[Confirm]**.

Confirm Selection

Add due dates
Make sure the selected content is assigned in Top Hat as Homework with due dates. Due dates should also be included in D2L.

Creating deep links for the following items:

- ☒ Sync grades of selected content
Grades of the items will be synced to your LMS when they are released to students in Top Hat.

Chapter 18: Homework Assignment

Back **Confirm**

5. Your Top Hat item(s) are now linked in your D2L Module.

The screenshot shows the Top Hat interface for a course. At the top, there is a header with 'Top Hat' and a dropdown arrow, and links for 'Print' and 'Settings'. Below the header, there are two input fields: 'Add dates and restrictions...' and 'Add a description...'. Under these fields are three buttons: 'New' (blue), 'Add Existing Activities' (grey), and 'Bulk Edit' (grey). Below the buttons is a list of course modules. The first module is 'Chapter 18: Homework Assignment', which is highlighted with a red border. It has a 'Third-party Integration' icon and a checkmark to its right. Below the list is a text input field labeled 'Add a sub-module...'.

Activating Top Hat in your D2L Course (Only if you are not using VitalSource)

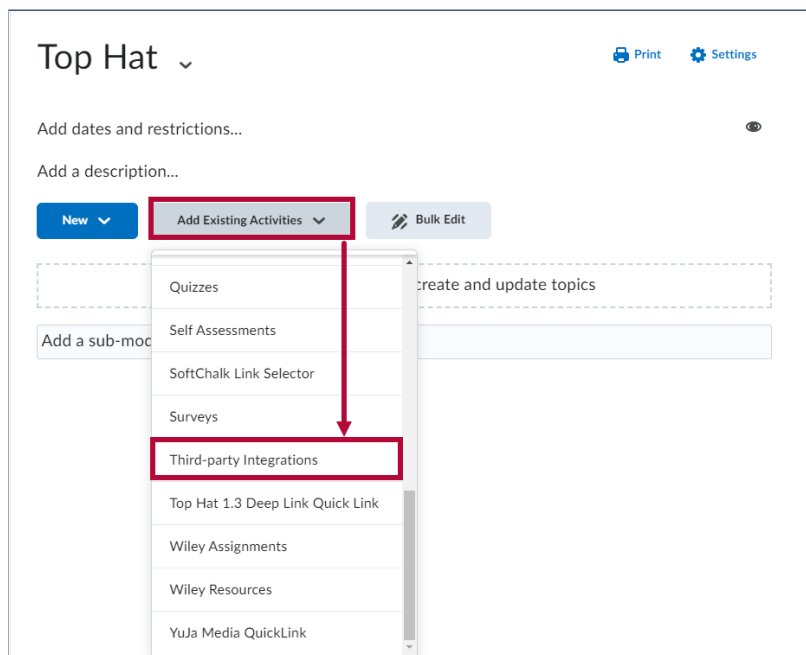

ALERT: The following steps are used for courses which do **not** have their course materials in VitalSource. This will only pertain to a small number of courses such as Dual Credit courses. **DO NOT** use these steps if your course materials are found in VitalSource and available to students via the Star Bundle. If you are not certain, please contact your **Top Hat representative** for assistance.

1. Send an email to VTAC@lonestar.edu ().
2. Include a list of the courses, complete with course ID, section numbers and terms, in which you want to use Top Hat.

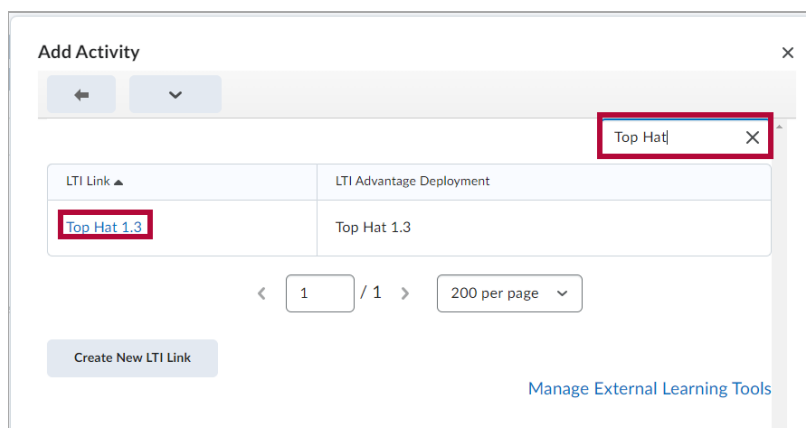

Connecting Top Hat with your D2L Course without using VitalSource

Once the integration has been set up in your course, use the following steps to add content to your course.

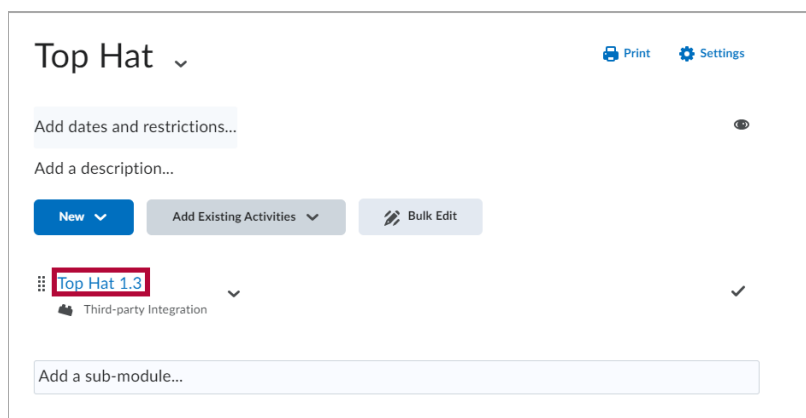

1. Navigate to a Content Module and click **[Add Existing Activities]** and **[Third-party Integrations]**.

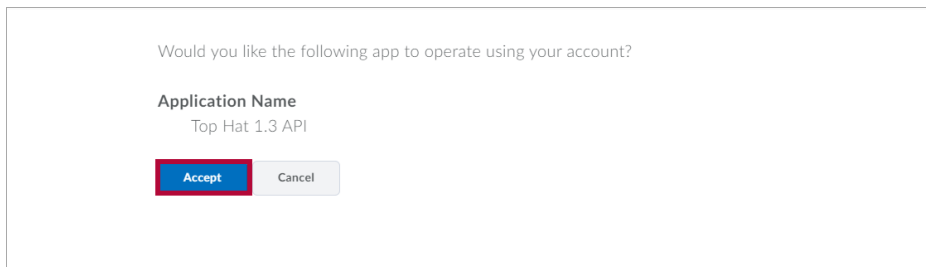

2. Search for Top Hat in the Search Box and select **[Top Hat 1.3]**.

3. Select **[Top Hat 1.3]** from your content module.

4. Select **[Accept]** to allow Top Hat to connect to your D2L section.

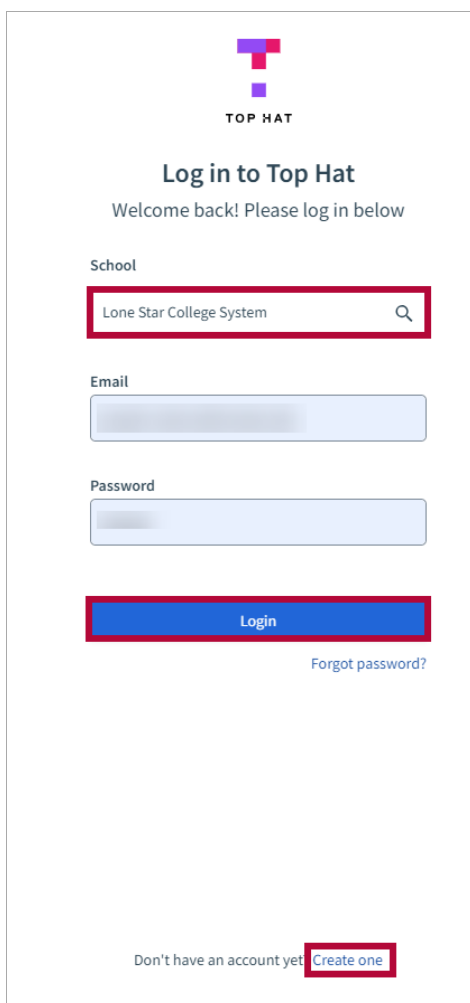

Would you like the following app to operate using your account?

Application Name
Top Hat 1.3 API

Accept Cancel

5. Search and select **[Lone Star College System]** and log into your Top Hat account. If you don't have a Top Hat account, click **[Create One]** at the bottom of the page.
