A screenshot of the 'Pronouns' settings form. The title is 'Pronouns'. Below the title is a descriptive sentence: 'When enabled, your pronouns can appear to others in areas such as your profile card or Classlist.' There are two main options: a checked checkbox for 'Allow others to see my pronouns', and a radio button for 'Use what my organization has on record: None'. The second radio button, 'Use different pronouns:', is selected. Below this is a text input field containing 'She/Her'. At the bottom, there is a note: 'Common pronouns include She/Her, He/Him, They/Them'.

## Reading Content
