

Disable Fast Forwarding on a YuJa Video/Playback Quiz

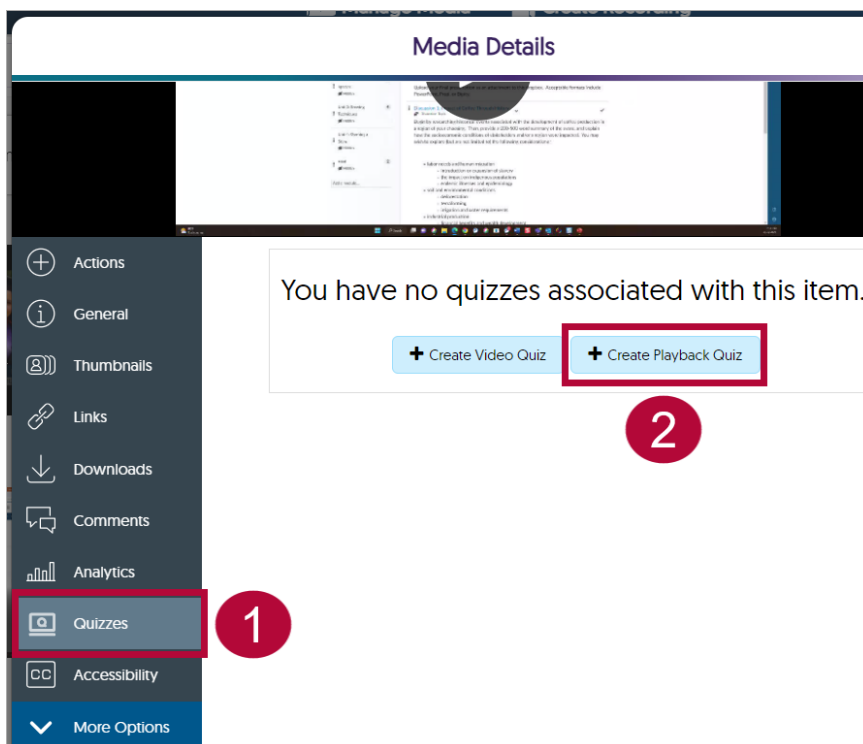

Last Modified on 04/15/2026 11:41 pm CDT

Playback Quizzes allow instructors to give students credit for watching a video.

1. From your **YuJa Media Library**, locate the video for which you want to create a **Video Playback Quiz**. Then, hover the mouse over the video and select **[More]**.

2. Select **[Quizzes]** on the left navigation pane, followed by **[Create Playback Quiz]**.

3. Give the quiz a **Title**, then choose between:
 - A. **Give full credit based on threshold**: This option allows instructors to specify a percentage amount of the video for students to watch. Students who watch less than the specified percentage will earn a grade of 0. Students who meet or watch more than the

specified percentage will earn a 100.

- B. **Give credit based on percentage watched**: This option allows instructors to award students credit based on the percentage amount their students watched. For example, a student who watches 75% of a video will earn a 75 for a grade.

When finished, select **[Create]**.

Create Playback Quiz

Create a quiz that awards credit based on video watch completion.

Title

A Give full credit based on threshold
Percentage Watched

B Give credit based on percentage watched

Custom Introduction Message

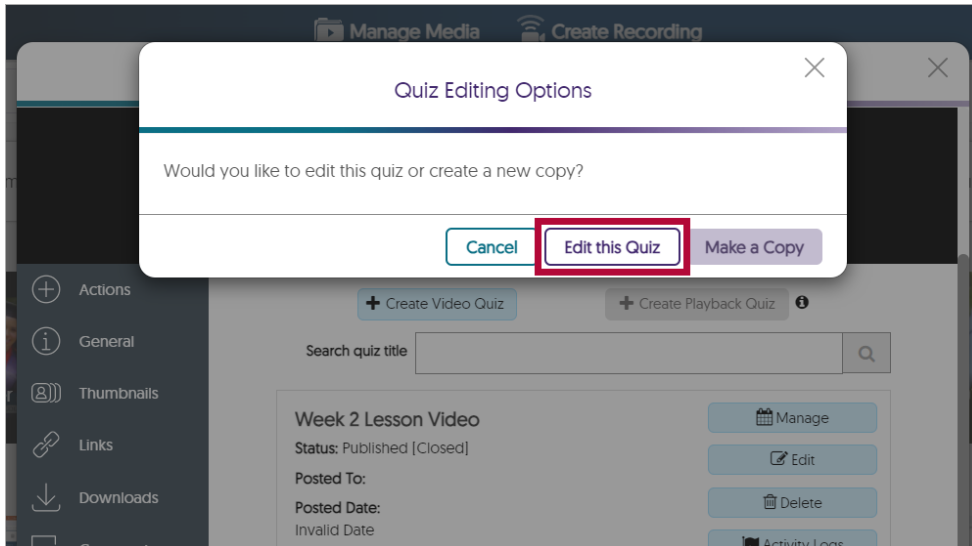

4. Once saved, select **[Edit]** to access additional quiz settings.

Invalid Date

5. Select **[Edit this Quiz]**.

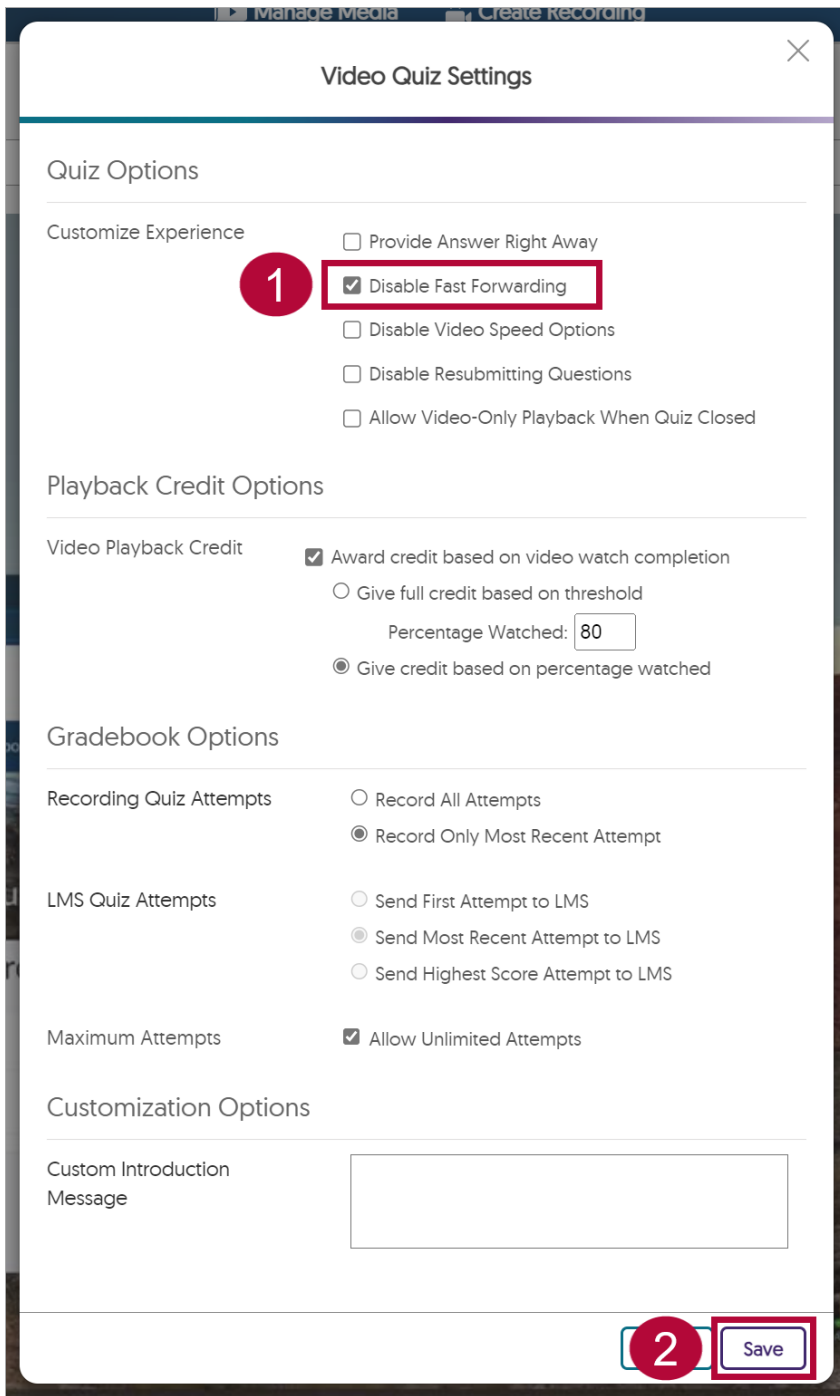

6. Select **[Settings]**.

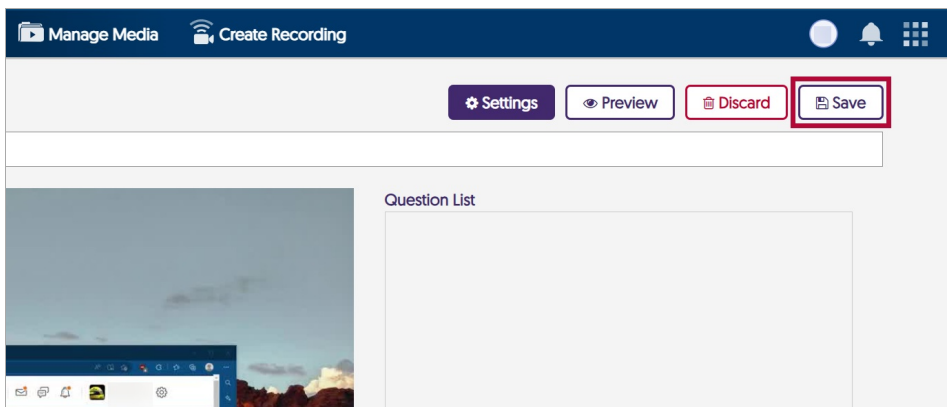

7. Select **[Disable Fast Forwarding]** followed by **[Save]**.

NOTE: Students who go back to review the video will not be able to fast forward to a particular spot. They will need to rewatch the entire video.

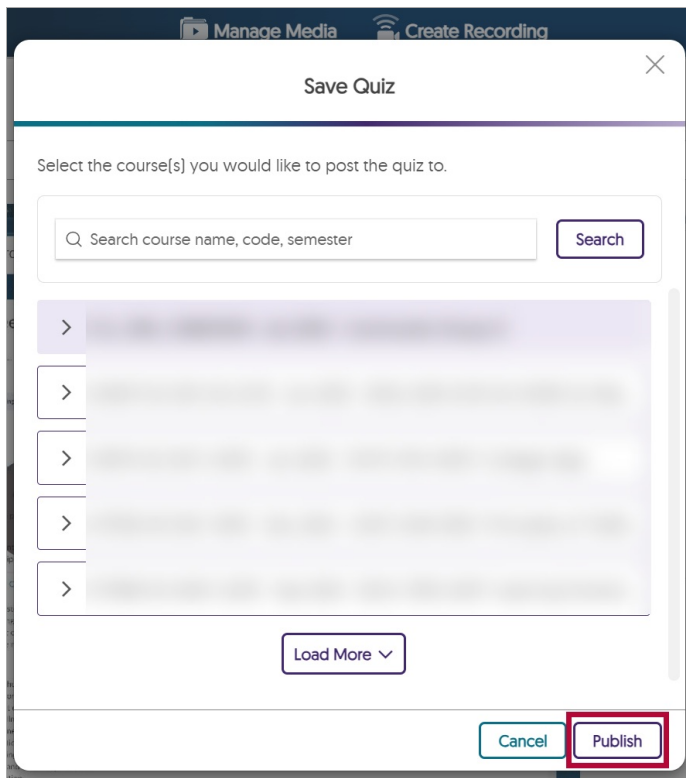

8. Select **[Save]**.

9. To finish saving, you must select a course from the **Save Quiz** window followed by **[Publish]**.

NOTE: This step will **NOT** post the quiz to your course as the message suggests. To add the video quiz to your course, watch the video found in the [Create a YuJa Video Quiz \(https://vtac.lonestar.edu/help/yuja-video-quiz\)](https://vtac.lonestar.edu/help/yuja-video-quiz) article.
