NOTE:

- 1) The **New Quiz Creation Experience** will become the default quiz creation process come **Summer 2023**.
- 2) Please refer to [Welcome to the New Quiz Creation Experience](https://community.brightspace.com/generic/s/article/Welcome-to-the-New-Quiz-Creation-Experience) (<https://community.brightspace.com/generic/s/article/Welcome-to-the-New-Quiz-Creation-Experience>) on the **Brightspace Community Site** for more details on the changes.

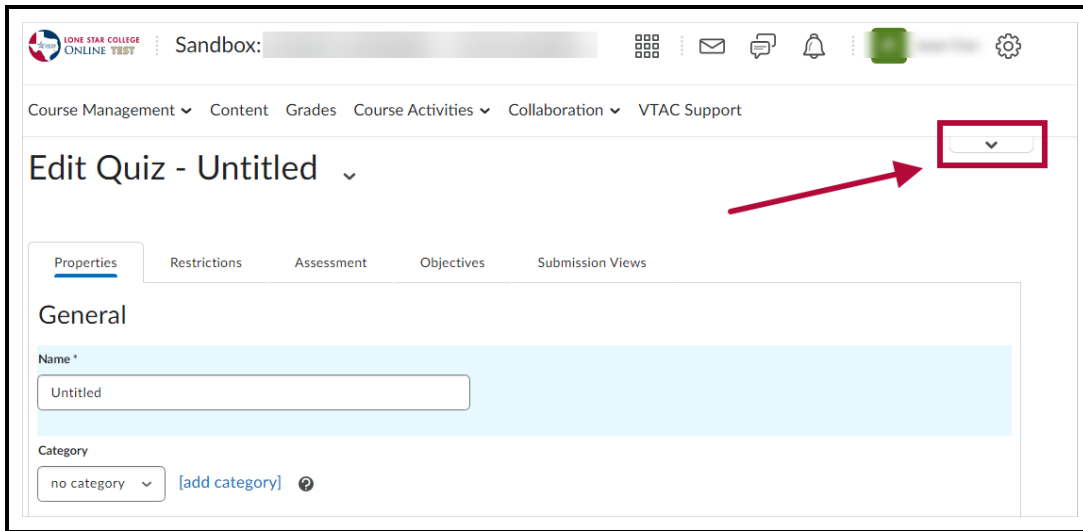

To switch to the **New Quiz Creation Experience**, please follow the steps below:

Show Video Walkthrough

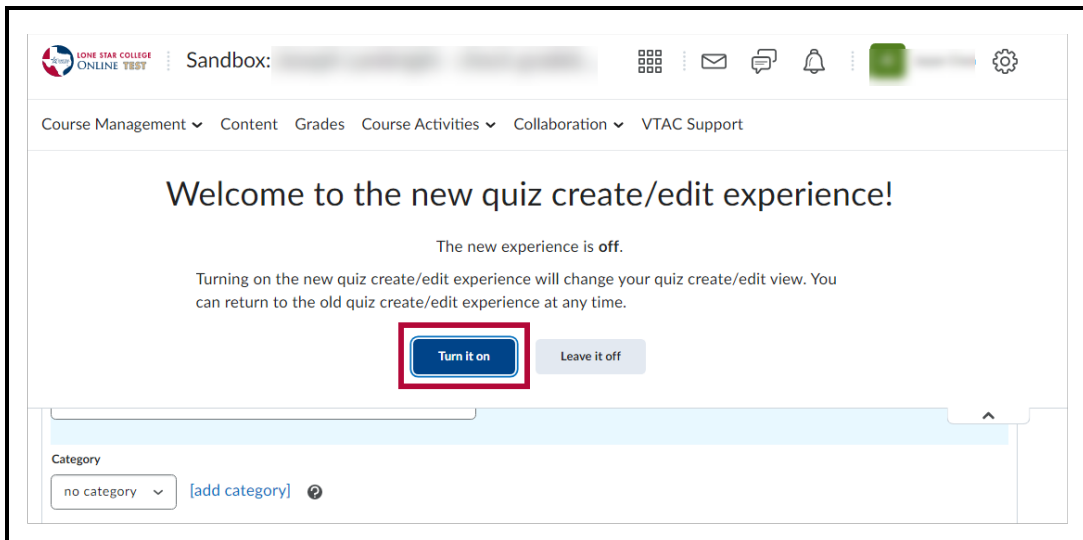

1. From within your D2L Course, navigate to **[Course Activities] -> [Quizzes] -> [Manage Quizzes] -> [New Quiz]**.

2. Click on the **down arrow** near the upper right corner of the page, below your settings cogwheel.

3. You will toggle the new quiz create/edit panel. The panel will show if the new experience is currently on/off. Click on **[Turn it on]**.

4. You will now be at the **New Quiz Creation Screen**. Looks familiar? That's because the new quiz creation process now uses the same layout as the Assignment creation experience.
