

# Discover (Self-Enrollment Tool for Students)

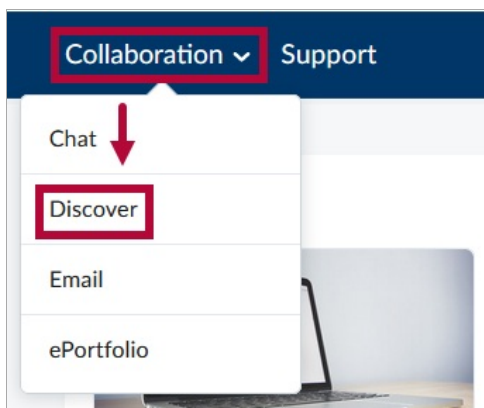

Last Modified on 10/18/2023 11:10 am CDT

**Discover** is a tool which allows students to self-enroll in **Community Groups** on D2L. Once a Community Group is added to Discover, students can freely enroll and unenroll themselves in the Community Group, without needing to be added by a Group Manager (though a Group Manager is still able to [enroll users themselves](https://vtac.lonestar.edu/help/a126) (<https://vtac.lonestar.edu/help/a126>)). This can be useful for Community Groups in which a large number of students are expected to join, such as campus-wide initiatives. There are instructions below for how students enroll and unenroll through Discover.

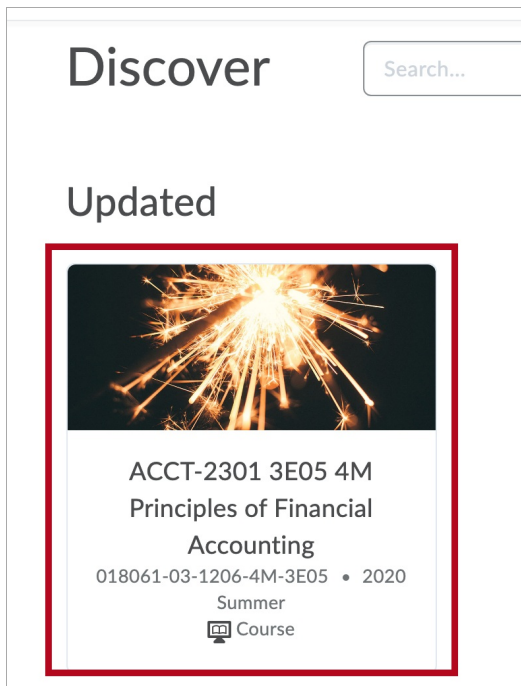

**NOTE:** If you wish to request a Community Group be added to Discover, please send an email to [VTAC@lonestar.edu](mailto:VTAC@lonestar.edu) () with the full name of the Community Group.
