

# Reconcile Your D2L and iStar Rosters

Last Modified on 06/09/2026 2:46 pm CDT

**To Access the Form:** Scroll down to the red button under [Ready to fill out the form?](#).

*Alternatively,* you can access this form by selecting **[VTAC Self-Service Forms]** in the upper-left navigation menu, then choose the appropriate form from the list.

There may be times when your course's **D2L Classlist** does not accurately reflect the class roster in **iStar/MyLoneStar**. To correct the D2L Classlist you can use the **Reconcile your Rosters** form (sometimes referred to as the **Verify Brightspace Roster** form).

**ALERT:** Enrolling a student who has been granted **Extended Access** to your course will result in the student losing access to your course.

Please click on a course title to view the enrollments for that course.

- If you see an 'Enroll into D2L' button, you can use it to add the user to your course.
- If you see an 'Un-enroll from D2L' button, you can use it to remove the student from your D2L course.

You will see any conflicts listed under **Message(s)**. The number at the end of the bar is the number of roster discrepancies.
