Reconcile Your D2L and iStar Rosters
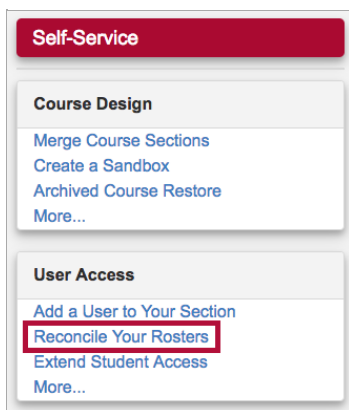

Last Modified on 10/02/2024 1:30 pm CDT

There may be times when your course's **D2L Classlist** does not accurately reflect the class roster in **iStar/MyLoneStar**. To correct the D2L Classlist you can use the **Reconcile your Rosters** form (sometimes referred to as the **Verify Brightspace Roster** form).

> **ALERT:** Enrolling a student who has been granted **Extended Access** to your course will result in the student losing access to your course.
