To Access the Form: Scroll down to the red button under [Ready to fill out the form?](#)

Alternatively, you can access this form by selecting **[VTAC Self-Service Forms]** in the upper-left navigation menu, then choose the appropriate form from the list.

ALERT: Avoid using the [Reconcile Your Rosters \(https://vtac.lonestar.edu/help/reconcile-roster\)](https://vtac.lonestar.edu/help/reconcile-roster) form to add a student whom was granted **Extended Course Access**, as this will revoke their access to your course.

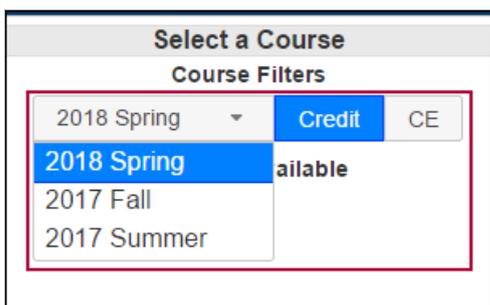

The **Extend Course Access for a Student** form allows you to grant a student extended access after the end date of a course has passed. Follow the steps below to request extended student access to a course in D2L for a student with an incomplete.

- You only need to complete this form if a student requires access beyond the **D2L Course End Date**.
- The **D2L Course End Date** is automatically set to the **iStar Course End Date + 8 days**.
 - Example: *If iStar lists May 10 as the official course end date, then the D2L Course End Date will be May 18. If the student needs access after May 18, this form must be submitted.*

NOTE: This will only affect your D2L classroom, not the student's academic record in iStar.
