

# Post-December 2024: Send a Copy of Outgoing D2L Emails to Your Outlook Inbox

Last Modified on 11/08/2024 1:13 pm CST

Instructors using **D2L Brightspace** can set up automatic forwarding of outgoing emails to their **Microsoft Outlook** inbox. This article outlines the steps to streamline email records, keeping all communications accessible in one central location.

## Send a Copy of Outgoing D2L Emails to Your Outlook Inbox

1. From the upper right corner of any D2L page, click on **[Your Account Name]** → **[Account Settings]**.

2. Click on **[Email]** → Enable **[Send a copy of each outgoing message to John.Doe@lonestar.edu]**. This should be your **LSC Employee Email** address. Click **[Save and Close]** when finished.

**NOTE:** Leave the "Reply to" **Email Address** field blank.

# Account Settings
