

Add YuJa Video Quiz to Content Modules

Last Modified on 03/13/2026 4:22 pm CDT

This article provides a step-by-step guide on how to add a **YuJa Video Quiz** to a course content module in D2L Brightspace. By embedding quiz questions directly into videos, instructors can create interactive learning experiences that promote engagement and knowledge retention.

Add YuJa Video Quiz To Content

▶ Show Video Walkthrough

1. Select **[Content]** on the course **Navbar**.

2. Select the module where you want to add your **YuJa Video Quiz**. Then select **[Add Existing Activities]** followed by **[YuJa Media QuickLink]**.

3. From the **YuJa Media Chooser** window, select the **[Quizzes]** tab and search for the video quiz you want to add by either scrolling or by using the **Search** field.

NOTE: Click and drag the corner icon to expand the **Media Chooser** window.

4. Select the video quiz you wish to add to your module, then select **[Insert Content]**.

5. A link to your **YuJa Video Quiz** will appear in the module.

NOTE: A grade item for the video quiz will appear at the end of your gradebook. Remember to adjust the points or weight if needed **before** your students begin submitting attempts.
