

Self-Enrollment Form

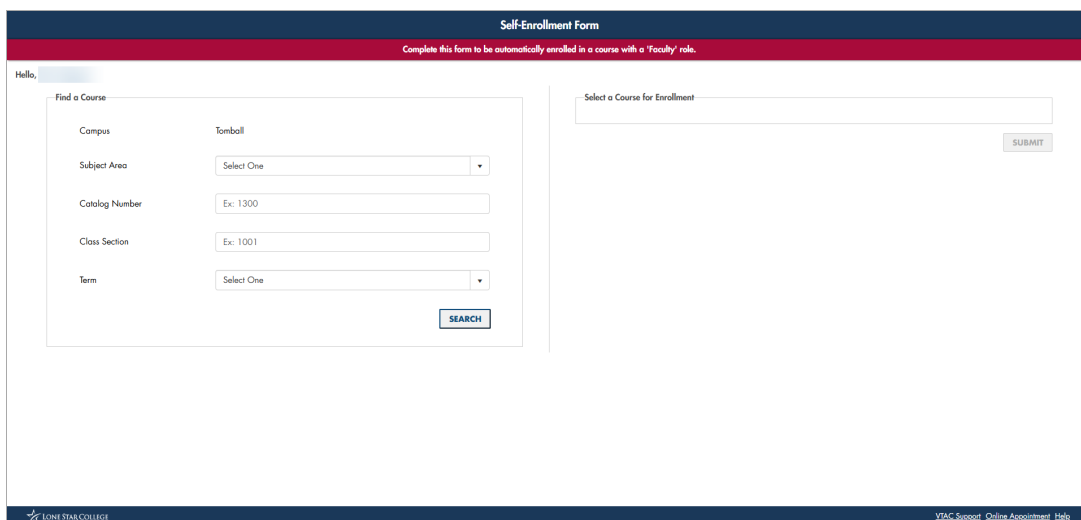

Last Modified on 07/30/2025 1:07 pm CDT

The **Self-Enrollment Form** empowers Vice Presidents of Instruction (VPIs), Deans, Department Chairs, and Lead Faculty to instantly enroll themselves into any D2L course. This direct access supports oversight, instructional involvement, and faculty support, eliminating the need to submit a request to the Online Services team and wait for manual processing.

NOTE: If you are a **Dean, Department Chair, or Lead Faculty** member and cannot access this form, please contact your campus **VPI** to ensure you've been added to the **Instructional Leadership Management** list.

Navigate the Self-Enrollment Form

1. The **Self-Enrollment Form** includes two sections: **Find a Course** and **Select a Course for Enrollment**. In the **Find a Course** section, course information can be entered to locate a desired course. In the **Select a Course for Enrollment** section, available courses can be chosen for enrollment.

The screenshot displays the 'Self-Enrollment Form' interface. At the top, a dark blue header contains the title 'Self-Enrollment Form'. Below this, a red banner states: 'Complete this form to be automatically enrolled in a course with a 'Faculty' role.' The main content area is divided into two sections. The left section, titled 'Find a Course', contains five input fields: 'Campus' (with 'Tomball' selected), 'Subject Area' (a dropdown menu showing 'Select One'), 'Catalog Number' (with 'Ex: 1300' as a placeholder), 'Class Section' (with 'Ex: 1001' as a placeholder), and 'Term' (a dropdown menu showing 'Select One'). A blue 'SEARCH' button is located at the bottom right of this section. The right section, titled 'Select a Course for Enrollment', features a large text input field and a grey 'SUBMIT' button. The footer of the page includes the Lone Star College logo on the left and links for 'VPLC Support', 'Online Assessment', and 'Help' on the right.

2. The **Find a Course** section is separated into five different fields:
A) **Campus** B) **Subject Area** C) **Catalog Number** D) **Class Section** E) **Term**

NOTE: All fields must be filled in order to search for the desired course(s). If the fields are not inputted correctly or left empty, the search will result in the course not being found.
