

# Add Norton eBook to Your Course

Last Modified on 04/18/2026 3:58 pm CDT

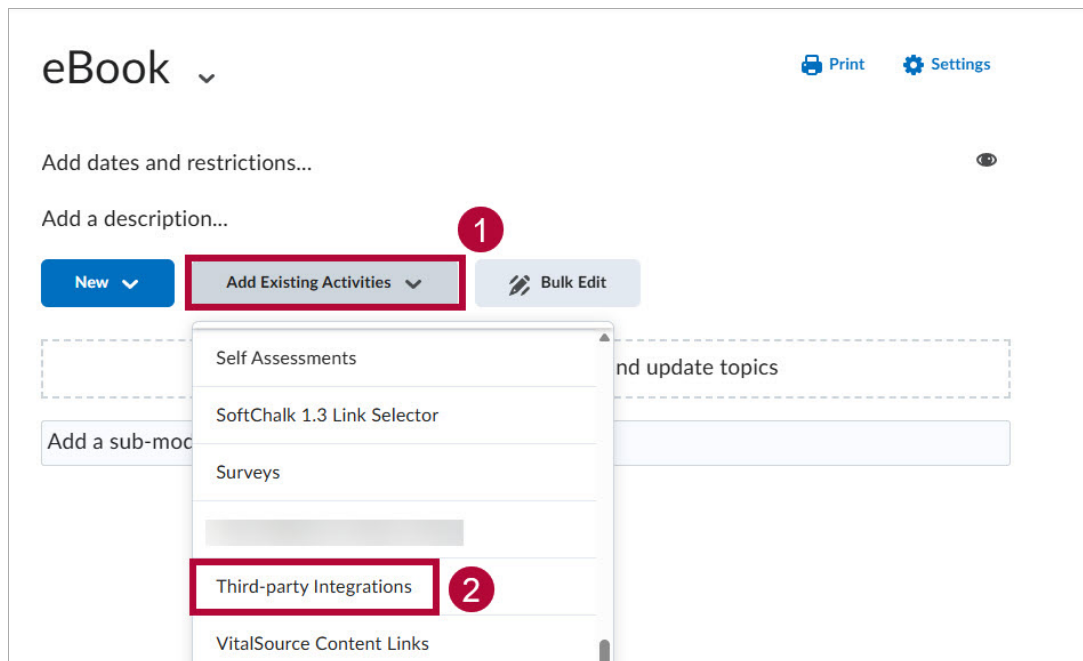

**Online Services** does not have access to your **Norton** account. For integration issues or questions, please contact your Norton representative. **Instructors will need to reach out to the following reps for the eBook URL to add to their course.**

- **Ellie Burhans** - [eburhans@wnnorton.com](mailto:eburhans@wnnorton.com) ()
- **Jiji Baylis** - [jbaylis@wnnorton.com](mailto:jbaylis@wnnorton.com) ()

## Adding Norton eBook to Your Course

Follow the steps in this section to add the **Norton eBook** to your D2L course using an LTI link provided by Norton, allowing students to access the eBook directly from the your D2L course shell.

1. Create a new module named **eBook**. Click **[Add Existing Activities]** → **[Third-party Integrations]**.

2. On the **Add Activity** window, scroll all the way to the bottom of the list, then select **[Create a New LTI Link]**.

4. Back on the **eBook Module** page, select **[Bulk Edit]**.

5. Towards the bottom-right of the module, select **[Open as External Resource]**, then select **[Done Editing]**.

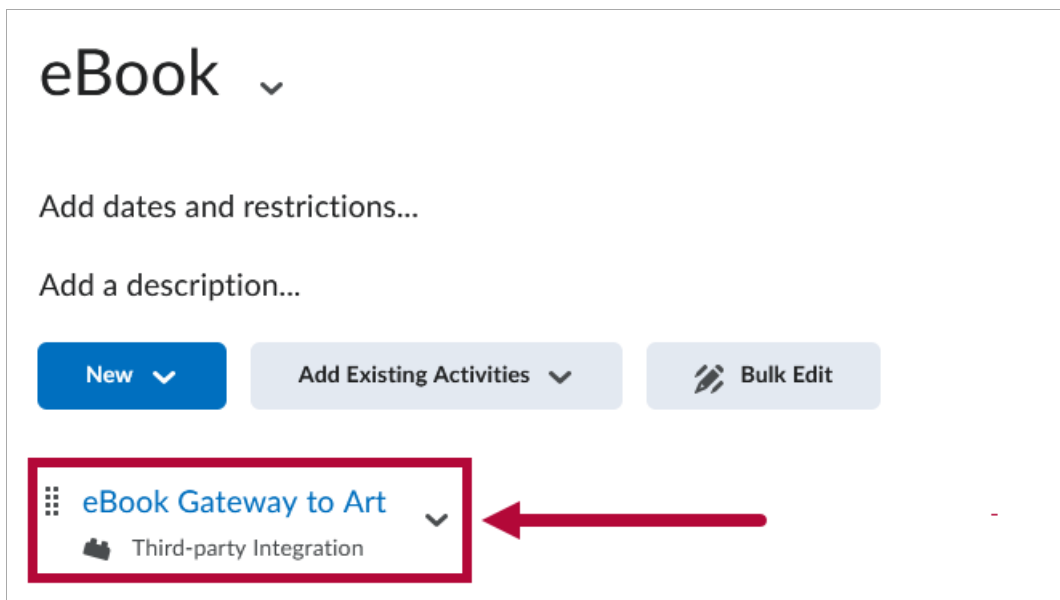

## Create a Student Set for Norton eBook

Follow the steps below to link the eBook with your D2L course. Completing this process ensures the eBook is properly connected and ready for student access.

**NOTE:** You must create a new **Student Set** per course for the **Norton eBook** to be functional.

1. Select the **[eBook Gateway to Art]** link that was created from the previous section.

2. Log in to your **Norton account**.
  - A. If you have an existing Norton account, sign-in using your **LSCS email** and **Norton password**.
  - B. If you do not have an existing Norton account, you will be prompted to register here.

The screenshot shows the Norton login page for 'Norton Illumine Ebook for Gateways to Art'. The page title is 'Norton Illumine Ebook for Gateways to Art' with a Norton logo on the right. Below the title is the question 'Have you already registered for this product?'. There are two radio button options: 'Yes, I want to sign in:' (selected) and 'No, I need to register, purchase, or sign up for trial access.'. Under the 'Yes' option, there are two input fields: 'Email\*' (with a red circle '1' next to it) and 'Password\*' (with a red circle '2' next to it). A 'Forgot your password?' link is located below the password field. At the bottom of the form, there is a large green 'Sign In' button with a white checkmark icon, which is highlighted with a red rectangular box. A red arrow points from the bottom left towards this button, with a red circle '3' next to it. Below the 'Sign In' button, there is a link 'Need help? Contact W. W. Norton Customer Support' and a 'Do Not Share My Personal Information' button.

3. **Norton eBook** should be open in a new browser tab. Select [**Create a new Student Set from scratch**], then click [**Next**].

## Add an Ungraded Gradebook Item for eBook

Use this section to create an **Ungraded Gradebook item** for the eBook. This prevents the eBook from contributing to students' final grades while allowing the link to remain accessible in the course.

- From within your **Norton eBook Content Module**, under **Assessment**, select **[Add a grade item...]**.
