

Add Norton InQuizitive Courseware to Your Course

Last Modified on 01/30/2026 12:23 pm CST

Online Services does not have access to your Norton account. For integration issues or questions, please contact your Norton representative. **Instructors will need to reach out to the following reps for the eBook URL to add to their course.**

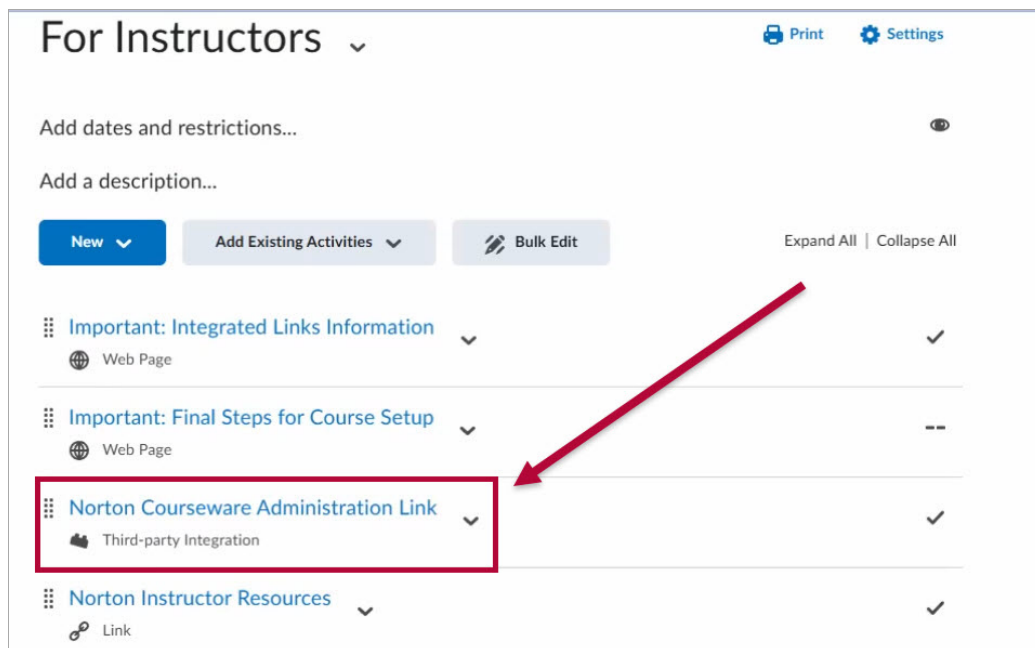

- **Ellie Burhans** - eburhans@wwnorton.com ()
- **Jiji Baylis** - jbaylis@wwnorton.com ()

Adding Norton InQuizitive Courseware to D2L

To import the course package, refer to the VTAC article [Import Zipped Content](https://vtac.lonestar.edu/help/import-zipped-content) (<https://vtac.lonestar.edu/help/import-zipped-content>). After the import is complete, follow the steps below.

NOTE: Instructors must contact Norton to obtain access to instructor resources for the adopted title before continuing.

1. Navigate to the **[For Instructors]** module and click the **[Norton Courseware Administration Link]**

2. Log in to your **Norton account**.
 - A. If you have an existing Norton account, sign-in using your **LSCS email** and **Norton password**.
 - B. If you do not have an existing Norton account, you will be prompted to register here.

Create a Student Set for Norton InQuisitive Courseware

Follow the steps below to link the eBook with your D2L course. Completing this process ensures the eBook is properly connected and ready for student access.

NOTE: You must create a new **Student Set** per course for the **Norton eBook** to be functional.

1. **Norton eBook** should be open in a new browser tab. Select [**Create a new Student Set from scratch**], then click[**Next**].

Create a New Student Set

How would you like to initialize your Student Set? [Learn More](#)

1 1. Create a new Student Set from scratch.

2. Create a new Student Set that starts with a copy of an existing Student Set's assignments and settings.
Select the Student Set ID to copy from:

2

2. Enter the course information below. When you are finished, click [**Create Student Set**].
 - A. **Title:** Auto-filled from D2L
 - B. **Country:** Auto-filled
 - C. **State/Province:** Texas
 - D. **School Type:** College OR High School
 - E. **School Name:** Select your Lone Star College campus
 - F. **Start Date:** Course start date
 - G. **End Date:** Two days after grades due date

H. **Self Enrollment:** Students can self-enroll at any time

I. **Campus or School ID:** No

The screenshot shows a form titled "Create a New Student Set" with the following fields and callouts:

- A:** Title: [Text input field]
- B:** Country: [Dropdown menu: United States]
- C:** State/Province: [Dropdown menu: Texas]
- D:** School Type: College, High School
- E:** School Name: [Text input field: Lone Star College - University Park, Houston]
- F:** Start Date: [Date picker: 08/17/2025] 12:00 AM Cent
- G:** End Date: [Date picker: 12/17/2025] 11:59 PM C
- H:** Student Enrollment: Students can self-enroll at any time. Students can only self-enroll for [] days after the course Start Date.
- I:** Do you want your students to enter a campus or school ID when they register? Yes No

At the bottom, there are "Back" and "Create Student Set" buttons. A red arrow points to the "Create Student Set" button.

3. Select **[Yes]** if your course participates in the STAR Bundle, then click **[Save]**.

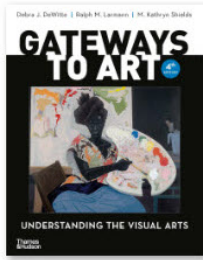

The screenshot shows a question: "Is your course participating in your school's StarBundle program? (Program names may vary)".

- YES, my class is participating in our school's StarBundle program. I'm aware that my campus bookstore, school, and Norton are partnering to provide students with immediate access to W. W. Norton content.
- NO, my class is not participating in our school's StarBundle program.

At the bottom right, there are "Back" and "Save" buttons. A red arrow points to the "Save" button.

4. The green **[CONNECTED TO LMS]** button and the yellow course banner at the **bottom-left** confirm the course is properly linked.

NOTE: Your Norton course content is found in the **Norton Courseware** module organized by chapters.
